

**SINGLE SOURCE  
(APPLICABLE TO PURCHASES UNDER SAT)**

**1. Contracting Activity:**

NCO 12, Great Lakes Acquisition Center,  
115 South 84<sup>TH</sup> Street, Suite 101  
Milwaukee, WI 53214

**2. Purchase Request Number: 537-13-3-738-0106 and 578-13-4-738-0227**

**3. Authority for Action:**

FAR 13.106-1(b), Soliciting from a Single Source

**4. Describe the supply or service to be acquired and the total estimated dollar value:**

The Nuclear Medicine physicians in the Radiology Department at the Hines and Jesse Brown VA Medical Centers require reading stations (software and hardware) to process Positron Emission Tomography - Computed Tomography (PET/CT) scans from existing equipment and software.

Hines VA Medical Center estimated dollar value is \$12,150.00

Jesse Brown VA Medical Center estimated dollar value is \$26,700.00

Total of \$38,850.00

**5. List the proposed contractor (name, contact, and phone number) and describe the unique knowledge or capabilities of the proposed contractor:**

The existing equipment and software at the Hines and Jesse Brown VA Medical Centers is proprietary to MIM Software Inc. and no other hardware or software is compatible. The hospital will also be able to compare previous and older studies using the reading stations from MIM Software Inc. If other equipment and software is purchased the previous scans will not be read properly and the equipment and software would not be compatible or connect with the existing system from MIM Software Inc.

**6. Describe your market research efforts and efforts to ensure that offers are solicited from as many potential sources as is practicable:**

Market research was conducted on NASA SEWP, GSA, NAC, VetBiz, FBO, and the Open Market to see if there was a provider on FSS contract or a Veteran Owned business that could provide the equipment, software, and service from MIM Software Inc. No other contractors were found who could provide Positron Emission Tomography - Computed Tomography (PET/CT) from MIM Software Inc.

7. State why you feel that the anticipated cost to the Government will be fair and reasonable:

Past purchases for similar types of software systems is comparable, 695-C20719 with GE Healthcare Muse software v8.0 was \$31,951.84 and the entire purchase to include training was \$74,471.24. 537-C90370 with AudioCare Systems for the AudioCare reminder software for a total of \$59,190.00. Based on Market Research and past procurement actions, the Contracting Officer has determined the price to be fair and reasonable.

8. Other:

Follow-up treatment to patients will be negatively affected if the hardware and software from MIM Software Inc. is not procured since previous readings will not be read properly on other hardware and software. The reading stations from MIM Software Inc. will allow two physicians to interpret scans which will improve efficiency and output for patient care.
