Product	Description
<b>US-PREIRUS</b>	<b>HI VISION PREIRUS ULTRASOUND SYSTEM</b>

**US-PREIRUS HI VISION PREIRUS ULTRASOUND SYSTEM**

HI VISION Preirus Quotation Language

The HI VISION Preirus premium ultrasound system features the latest in high-speed precision electronics and advanced signal processing software in a small compact system. Its ergonomic design enables comfortable scanning for all users and all procedures. The unique hybrid touch-screen display/control panel places the most common operating controls right on the display screen so users can focus on imaging.

Standard Hardware

- 19" LCD monitor
- Five external USB ports
- DVD Multi-drive (supports DVD-RAM and DVD-R)
- 60GB HDD Storage Capacity

Standard Imaging Features

- HI Definition Tissue Harmonic Imaging (HdTHI)
- HI Compound directional compound imaging
- HI RES+ noise and speckle reduction
- Beam Steered Biopsy Guidance
- Patient Dependent Compensation
- Fine Flow micro-vessel visualization
- Coded B-mode
- Trapezoid imaging
- Real-time Biplane imaging
- Dual Gate Doppler
- Omni-directional M-mode
- Tissue Doppler Imaging
- DICOM Store, Storage Commitment, Print, Modality Worklist, and Modality Performed Procedure

Step service classes

Standard Workflow Efficiency Features

- Patients Scanning Selector
- Touch-screen operation
- Preset Operation protocols
- HI Support one-touch image optimization (B-mode and Doppler)
- On-board instruction manuals
- Smart-tab menu organization

**PR-LCD HI VISION PREIRUS High Resolution LCD Flat Panel Display**

19 inch LCD monitor with touchscreen capabilities

**US-BIOMED.TRAVEL**

**BIO-MED TRAVEL & LODGING**

Travel and Lodging for Bio-Med training sessions. This is for one person and the fare is based on flying coach class to Cleveland, OH.
