Client: Department of Veteran Affairs
Architect: McEntire Design, PLLC, 1001 West Washington St, Suffolk VA, 23434

MDA Project #1301-30

December 9, 2013

ARCHITECTURAL ADDENDUM NO. 1

The qualified Bidders shall acknowledge in writing on his/her Form/Proposal the receipt of this Addendum.

This **Addendum No. 1** shall become a part of the **Bid Documents** (Drawings & Specifications) for this project and shall be integrated into the final **Contract Documents** to complete the Work. When the Architect issues an Addendum, it is the Bidder's responsibility to copy and insert it into the Bid Documents they have obtained from the Architects' office. It shall also be the responsibility of the Bidder to confirm that any subcontractor bidders, materials/suppliers bidders, etc. have received the addendum and acknowledge the receipt of any Addenda before acceptance by the General Contractor.

This Architectural Addendum contains TWO (2) items, and they are as follows:

ITEM NO. 1: Add Section 21 13 13 Wet Pipe Sprinkler System to the Project Specifications.

ITEM NO. 2: Add Section 21 05 11 Common Work Results for Fire Suppression.

END OF ADDENDUM NO. 1
