Market research was conducted by the contract specialist to determine if this requirement could be met from a mandatory source. A required source was found on a mandatory FSS contract under schedule 65 II A. The government has already purchased the Scriptpro equipment, and ScriptPro is the only authorized contractor to service and provide replacement parts for their Scriptpro equipment. They also provide their proprietary software as a monthly license fee that works with the prescription dispensing machine. No other substitute product was found that could meet the government's requirement.

**(7) IN ACCORDANCE WITH FAR 8.405-6(c)(2)(vii) ANY OTHER FACTS SUPPORTING THE JUSTIFICATION:**

ScriptPro's published Federal Supply Schedule price list dated December 1, 2012, page 75, states that the equipment warranty would be void if the equipment or software is installed or modified other than by ScriptPro; their software is proprietary information of Scriptpro.

**ANY BARRIERS THAT LED TO THE RESTRICTED CONSIDERATION BEFORE ANY SUBSEQUENT ACQUISITION FOR THE SUPPLIES OR SERVICES IS MADE:**

At the end of the lifecycle for this prescription dispensing machine, a new solicitation may be posted to promote competition for new equipment.
