1. **Contracting Activity:**

MILWAUKEE, WI 53214
2. **Purchase Request Number:** 537-14-1-969-0046
3. **Authority for Action:**  
☒ FAR 13.106-1(b), Soliciting from a Single Source
4. **Describe the supply or service to be acquired and the total estimated dollar value:**  
Technical support to migrate data and install currently owned Pro Vation Medical Software onto new hardware acquired by the Jesse Brown VAMC. This includes all training. Cost of Migration Support is \$54,645.00.
5. **List the proposed contractor (name, contact, and phone number) and describe the unique knowledge or capabilities of the proposed contractor:**  
Wolters Kluwer Pro Vation Medical (Katie Malone, 615-428-8584)  
This software is proprietary to Wolters Kluwer Pro Vation and cannot be accessed by any other contractor.
6. **Describe your market research efforts and efforts to ensure that offers are solicited from as many potential sources as is practicable:** The Contract Officer searched required sources of supply (FSA/GSA) for information on ProVation MD. Search yielded no results. Determination was made to search Google. Results yielded Wolters Kluwer ProVation Medical. Checked for distributors of Pro Vation and found Wolters Kluwer ProVation Medical is the only source.
7. **State why you feel that the anticipated cost to the Government will be fair and reasonable:**  
Vendor confirmed quote was commercial pricing offered to both government and private companies.
8. **Other:** It would be cost prohibitive for the station to archive current patient records, essentially making existing record finding tedious and costly. This migration would allow the Jesse Brown VA the flexibility to still review old records, and allow them to access all patient information from any Web based system, instead of being tied to the few CPU's the current patient information is loaded on.
