

Contractor Qualifications:

Each contractor is required to submit a completed qualifications document with this template to the Contracting Officer to establish responsibility and integrity of the Contractor to meet the requirements of this contract. Any Contractor that does not meet the minimum requirements as determined by the Contracting Officer will be rejected. To assist in this determination, the Contractor is required to furnish the following information.

1. Company background information

2. Ability to meet the requirements/specifications of the Scope of Work

- If the prime contractor is unable to meet all of the requirements, provide information about subcontractors/teaming partners to be utilized and how work will be divided.

3. Provide a summary of experience with delivering similar requirements

- Customer name
- Location(s) served
- Frequency of deliveries
- Variety and quantity of bread and bread products

3. Accepts the government's rights to inspections as stated on Scope of Work?

Yes

No
