

DEPARTMENT OF VETERANS AFFAIRS
Justification and Approval
For
Other Than Full and Open Competition

1. Contracting Activity: Department of Veterans Affairs, Network Contracting Office 15, St Louis VAMC, John Cochran, 915 N Grand Blvd., Saint Louis, MO 63106-1621.

The St. Louis VA Medical Center Facilities Engineering Service has requested a contract for Emergency parts and labor to install new tube and HV cables on Sensation 64 Slice CT. Once parts are replaced vendor to calibrate and test the Sensation 64 Slice CT unit to ensure proper operation. The 2237 Purchase request number is 657-14-2-8586-0181.

2. Nature and/or Description of the Action Being Processed:

Provide parts and labor to install new tube and HV cables on Sensation 64 Slice CT. Once parts are replaced vendor will calibrate and test the Sensation 64 Slice CT unit to ensure proper operation. This will be a firm-fixed price contract.

3. Description of Supplies/Services Required to Meet the Agency's Needs:

This service is for the procurement of labor and materials to perform on-site parts and labor to install new tube and HV cables on Sensation 64 Slice CT. This contract involves replacement of the new tube and HV cables, calibration and testing of the Sensation 64 Slice CT. The Sensation 64 Slice CT is the Saint Louis MO. VAMC's main CT used for the majority of CT scans because of the additional capabilities and features. The unit is down and patients are being cancelled.

Total estimated cost for these services is \$225,000.00 for one time purchase.

4. Statutory Authority Permitting Other than Full and Open Competition:

- (X) (1) Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements per FAR 6.302-1;
(X) (2) Unusual and Compelling Urgency per FAR 6.302-2;
() (3) Industrial Mobilization, Engineering, Developmental or Research Capability or Expert Services per FAR 6.302-3;
() (4) International Agreement per FAR 6.302-4;
() (5) Authorized or Required by Statute FAR 6.302-5;
() (6) National Security per FAR 6.302-6;
() (7) Public Interest per FAR 6.302-7;

5. Demonstration that the Contractor's Unique Qualifications or Nature of the Acquisition Requires the Use of the Authority Cited Above (applicability of authority):

Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements per FAR 6.302-1; The Sensation 64 Slice CT is proprietary to Siemens Medical Solutions USA, Inc.; only certified technicians can properly inspect certify and work on the Sensation 64 Slice CT.

Unusual and Compelling Urgency per FAR 6.302-2; The Sensation 64 Slice CT is the Saint Louis MO. VAMC's main CT used for the majority of CT scans because of the additional capabilities and features.

The unit is down and patients are being cancelled. This is an essential piece of equipment that is needed at once to preclude further impairment of healthcare delivery capabilities and mission performance. The delay in the repair of equipment would result in an adverse impact to patient care and may require the government to incur substantial cost for fee basing out patients.

6. Description of Efforts Made to ensure that offers are solicited from as many potential sources as deemed practicable:

Only one responsible sources: 10 USC 2304(c) (1). No other vendor provides this service.

- Siemens Medical Solutions USA, Inc. holds the proprietary rights to the operating software of this equipment. The Sensation 64 Slice CT must be calibrated with the appropriate proprietary software interface before being put back into service. Following repair, the Siemens Medical Solutions USA, Inc. trained technician must access the operating software on the Sensation 64 Slice CT unit to calibrate the newly installed parts.
- FPDS search results identified one vendor (Siemens Medical Solutions USA, Inc.) that could provide the service requested by the customer.
- A Google search located only one company (Siemens Medical Solutions USA, Inc.) that could provide the Repair services on a Sensation 64 Slice CT Unit requested by the St. Louis VA Medical Center.

7. Determination by the Contracting Officer that the Anticipated Cost to the Government will be Fair and Reasonable:

The estimated amount of this acquisition is \$225,000.00. In accordance with FAR Subpart 15.404-1(b) the following price analysis techniques and procedures will be utilized to ensure a fair and reasonable price.

- a. Comparison of previously proposed prices and previous Government and commercial contract prices for the same or similar items. The average cost for previous Government purchases for the same or similar items and service was \$221,366.00.

8. Description of the Market Research Conducted and the Results, or a Statement of the Reasons Market Research Was Not Conducted:

- A search of the National Acquisition Center (NAC) Contract Catalog produced no results. No mandatory use contracts IAW FAR 8.002 and VAAR 808.002 "Priorities for use of Government supply sources" were found that could perform/supply the requested task.
- A search on www.gsa.gov for vendor's that could perform/supply the requested repair service on Federal Supply Schedules (FSS). There were no vendors on GSA/FSS that could provide the task being requested.
- A search of the VetBiz.gov Registry website Using NAICS code 811219 with the keywords "Slice" and "CT" yielded 77 vendors; however none could perform the task requested. A search of the SBA Dynamic Small Business Search tool: Using NAICS code 811219 with the keywords "Slice" and "CT" yielded 3 vendors; however none could perform the task requested.
- FPDS search results identified one vendor (Siemens Medical Solutions USA, Inc.) that could provide the service requested by the customer.

- A Google search located only one company (Siemens Medical Solutions USA, Inc.) that could provide the parts and labor to install new tube and HV cables on Sensation 64 Slice CT Unit requested by the St. Louis VA Medical Center.

Due to the proprietary nature of this procurement no other vendor can meet the requirements.
