

E85 Hines Construction

VA701-14-B-0107

Questions and Answers

- 1.) Please provide the Topographic Survey which was not included in the drawings.

Answer: Topographic Survey attached. See Attachment B & C

- 2.) Downloading the documents for the Hines, IL VAMC E-85 Fueling Station Construction Project I realized the issued drawings are formatted in a 8.26 inch x 11.69 inch size instead of a standard 42.00 inch x 30.00 inch size of construction drawings. Will the drawings be re-issued in a standard 42.00 inch x 30.00 inch size of construction drawings?

Answer: Drawings re-issued in a standard 42.00 inch x 30.00 inch size. See Attachment C
