0017	Histosette® II Biopsy Cassettes, Color: White	M485-2SL	CS
0018	Glass Cover, 24mm x 50mm, 10 oz./Case	SL 102450	CS
0019	Xylene, Laboratory Grade, CAS# 1330-20-7, 1 Gallon	8400-1	GL

The using organization has submitted justifications that state protocols have been established for the requested products/solutions. Responses with products of different compositions than those listed above will not be considered. Interested parties that are able to offer these same products or products with the same composition using a different brand name are encouraged to respond to the sources sought with the specifications of those products offered.

The provision 52.211-6, Brand Name or Equal, is applicable to this request. Interested parties that can offer "equal" products must submit the product specifications with their response to be considered.

Please respond and reply to this request by:

25 March 2014

Please return responses by email to: vance.farrell@va.gov
