Sole Source awards to service disabled veterans-owned small business concerns.

- (1) The anticipated award price of the contract (including options) will not exceed \$5 million;
- (2) The requirement is synopsized in accordance with FAR part 5;
- (3) The SDVOSB concern has been determined to be a responsible contractor with respect to performance; and
- (4) Award can be made at a fair and reasonable price.

(b) The contracting officer's determination whether to make a sole source award is a business decision wholly within the discretion of the contracting officer. A determination that only one SDVOSB concern is available to meet the requirement is not required.

The anticipated award amount is less than \$25,000. A special notice announcing the contract action was posted to FEDBIZOPPs in December 2013. A separate determination of the contractor's responsibility has been made in accordance with FAR 9. A sole source award is proposed pending negotiation of a fair and reasonable price.

The CO is recommending an SDVOSB sole source to Megawattage Generator, Inc., based on the aforementioned. The contractor is readily available because they recently completed a project at the Miami VAMC entitled "VCS Canteen Asbestos Abatement"..

6. Description of Efforts Made to ensure that offers are solicited from as many potential sources as deemed practicable

While there are other contractors in Vetbiz.gov, a determination that only one SDVOSB concern is available to meet the requirement is not required per the authorities cited in paragraph 5.

The Contracting Officer has determined that Megawattage Generator, Inc., is qualified as a SDVOSB; and will provide superior construction services based on the company's past performance on various projects completed at Miami VAM Center.

7. Determination by the Contracting Officer that the Anticipated Cost to the Government will be Fair and Reasonable:

Based on the authorities cited in this justification, a sole source award to subject contractor is proposed pending negotiation of a fair and reasonable price. It is expected negotiations with result in a cost which compares favorably to the independent Government Estimate.

Per authorities cited in paragraph 5, the contracting officer's determination whether to make a sole source award is a business decision wholly within the discretion of the contracting officer.

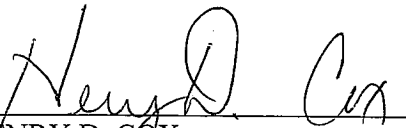

10. Listing of Sources that Expressed, in Writing, an Interest in the Acquisition):

Multiple SDVOSBs exist in the VIP database; however, the contracting officer's determination whether to make a sole source award is a business decision wholly within the discretion of the contracting officer. A determination that only one SDVOSB concern is available to meet the requirement is not required. The CO has determined a sole source award is in the best interest of the VA.

11. A Statement of the Actions, if any, the Agency May Take to Remove or Overcome any Barriers to Competition before Making subsequent acquisitions for the supplies or services required:

Any future SDVOSB sole source awards in the best interest of the VA will be rotated to other SDVOSB's determined responsible.
