## SECTION E - SOLICITATION PROVISIONS

### E.1 52.212-2 EVALUATION—COMMERCIAL ITEMS (JAN 1999)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

1. Technical
2. Price

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of Provision)

### ADDENDUM TO 52.212-2 EVALUATION-COMMERCIAL ITEMS (JAN 1999)

#### LPTA EVALUATIONFACTORS FOR AWARD

##### a. Basis for Contract Award

- (1) Award will be made to a single offeror who is deemed responsible in accordance with the Federal Acquisition Regulation (FAR), whose proposal conforms to the solicitation requirements, and whose proposal, judged by an overall assessment of the evaluation criteria and other considerations specified in this solicitation, represents the Lowest Priced Technically Acceptable offer. Evaluation Factors under the LPTA process are judged on a **pass-fail** basis only. No other rating or qualitative value will be assigned. To be determined technically acceptable, all factors must be acceptable to obtain a pass rating for the technical proposal. Award will be made to the lowest priced, technically acceptable, responsible offeror.

(2) Trade-offs between cost/price and non-cost/price factors is not permitted. The VA will evaluate proposed prices for reasonableness using price analysis techniques. The Government may reject any proposal that is evaluated to be unrealistic in terms of program commitments, including contract terms and conditions, unreasonably high/unrealistically low, unbalanced, inaccurate or incomplete price proposals, such that the proposal is deemed to reflect an inherent lack of competence or failure to comprehend the complexity and risks of the program.

b. **Award for All of the Work.** The VA intends to award 1 Task order as a result of this solicitation. Offers received for less than the stated number of items listed in the Quote Schedule will be considered ineligible for award. The offeror's initial proposal should contain the offeror's best terms from a cost or price and technical standpoint. The VA reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary.

c. **Evaluation Criteria**

(1) Evaluation criteria consist of factors and sub-factors. The proposals will be evaluated under 2 evaluation factors:

Factor 1: Technical

Sub-factor A: Personnel Qualifications

Sub-factor B: Technical Approach/Delivery

Factor 2: Price

(3) **Factor 1 - Technical Factor.** The Technical Factor evaluation provides an assessment of the offeror's capability to satisfy the VA's minimum requirements as specified in the Specs and SOW. Failure to include any of these requirements shall result in the offer being considered unresponsive and thus be excluded from consideration.

a. **Sub-factor A:** In evaluation of this factor, proposals will be evaluated to ensure: Contractor proposes personnel who demonstrate the required education/certification that is directly related to the SOW requirements. At the time of proposal submission, the Government requires key personnel to possess Development Dimensions International (DDI) Certification to present the "Facilitation Skills Workshop: Developing Extraordinary Facilitators" course. Verification of certification will be required.

b. **Sub-factor B:** In evaluation of this factor, proposals will be evaluated to ensure:

Contractor's technical approach demonstrates an understanding of the SOW requirements by addressing each specific task and deliverable.

As part of this sub-factor Contractors will also be evaluated on their capability of being able to provide and deliver all Training Materials specified in the SOW.

The Technical Factors will receive one of the adjectival ratings defined below. Each subfactor rating will be used to determine an overall rating for the factor: For Evaluation Factor 1 Technical; to receive a rating of “Pass” both sub-factors must receive a “Pass” rating. If any of the sub-factors receive a rating of “Fail” the overall rating for that Evaluation Factor will be “Fail” (unacceptable).

### **Rating Description**

**Pass** - Acceptable Proposal clearly meets the minimum requirements of the solicitation.

**Fail** - Unacceptable Proposal does not clearly meet the minimum requirements of the solicitation.

(3) **Factor 2 – Price:** Price will not be scored or rated. Evaluation of price will be performed using one or more of the price analysis techniques. Through these techniques the VA will determine whether prices are reasonable, complete and balanced.

(a) Options: The VA will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The VA may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the VA to exercise the option(s).

(b) Unbalanced Pricing may be evaluated in accordance with FAR 15.404-1(g), as applicable, to assess potential performance risk which could result in unreasonably high prices

### **Definitions:**

**Reasonableness:** A price is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person in the conduct of competitive business.

**Completeness/Accuracy:** The offeror’s proposal is in compliance with the Price Volume instructions in the solicitation.”

For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1)  Are,  are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2)  Have,  have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3)  Are,  are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4)  Have,  have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
