The Hysteroscopy Custom Pack is based on the Medline components listed above. See the "equivalency statement located on page 1 of the solicitation. The components above are to be included in one (1) Hysteroscopy Custom Surgical Pack. Make sure when pricing out your custom pack that you include any/all freight/shipping charges in your unit cost. The estimated annual usage of this custom surgical pack is Two Hundred Four (204) covering the period 5/1/14 – 4/30/15. The quantity stated is for pricing estimation only. The actual usage may be more or less. The estimate was obtained from two (2) prior years usage. The resulting purchase order will be a blanket order covering the period 5/1/14 – 4/30 15. The requiring activity will "draw down" packs off of the blanket order as needed.
