**6. STATUTORY AUTHORITY:** FAR 13.106-1(b) states that contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source to be reasonably available.

☒ I determine only one source to be reasonably available based one of the following circumstances:

☒ Only one responsible source and no other supplies or services will satisfy Agency requirements.

☐ Unusual and compelling urgency.

☐ Authorized or required by statute (38 USC 8123)

**If approved, the JUSTIFICATION MUST be posted to FBO for all procurements above \$25k.**

**7. Provide a brief statement explaining your determination why the nature of the goods or service to be purchased is relatively noncompetitive and the urgency of the proposed purchase.**  
This model handpiece works with existing dental delivery systems already in place within the dental service. Selection of any other handpiece would require replacement of existing dental chairs and delivery systems. This handpiece is already in use within the clinic and this will help standardize our equipment for sterilization. Selection of a different handpiece would create yet another unique product that would require different sterilization procedures and added cost.

**8. Dollar Value of proposed purchase and past experience concerning vendor's prices.**

**9. CERTIFICATION AND SIGNATURE APPROVALS:** Pursuant to FAR 1.707 Signature Authority, this Justification has been thoroughly reviewed and recommends approval. I certify that the above facts and representations under my cognizance that are included in this Justification are accurate and complete to the best of my knowledge and belief.
