B.4 DESCRIPTIONS/SPECIFICATIONS/WORK STATEMENT

1. ADHC will be furnished to beneficiaries for whom such care is specifically authorized by the Department of Veterans Affairs (VA). It is understood that the type of patient to be cared for under this contract will receive these services as a substitute for institutionalization. The purposes of providing ADHC are: to enable functionally impaired individuals to reside in supportive home environments rather than in nursing home care facilities; to facilitate the return of older veterans to their home and coordinate long term care thereby reducing readmissions to hospitals and nursing homes; to maintain the older veteran at the highest level of functioning possible; to improve the quality of life for the participants among their peers; and to provide support for the family and other caregivers of older veterans. The care provided will include: nursing, social work services, assistance with activities of daily living, activity therapy, case management, nutrition service including meals and transportation.

The staffing ratio for an adult day care facility will be 1 staff person for every 4 to 6 patients.

The ADHC Program will meet the VA Standards for ADHC as promulgated in M-5, Part IX, Paragraph 7.03 and U.S.C. 38, Part II, Chapter 17.

a. Unless specifically excluded in this contract, the per diem rate established will include the services listed above and will also include all services or supplies normally provided other patients by the facility without extra charge.

b. If the VA and the ADHC Provider agree that the VA shall provide services under U.S.C. 38, Part II, Chapter 17, the agreement will be incorporated into the contract and either the per diem rate will be re-established or direct payment made to the United States to reflect the full cost of the VA's contribution.

2. Absences of the patient from the ADHC Provider will not be reimbursed.

3. It is agreed that the ADHC Provider will notify the authorizing VA hospital immediately when a medical emergency requiring hospitalization occurs. It is agreed that the veteran will be readmitted to an appropriate VA facility. When such readmission is not feasible because of the nature of the emergency, it is agreed that hospitalization in a non-Federal hospital may be accomplished provided that VA authorization is obtained within 24 Hours. If hospitalization of a non-emergency nature is required, it is agreed that readmission to the VA hospital will be accomplished promptly.

4. The ADHC Provider agrees and warrants that it does not maintain nor provide dual or segregated patient facilities which are segregated on the basis of race, creed, color or national origin. The ADHC Program may neither require such segregated use by written or oral policies nor tolerate such use by local custom. The term "facilities" shall include but not be limited to rooms, wards, sections, eating areas, drinking fountains, and entrances.

5. It is agreed that the Department of Veterans Affairs will have the right to inspection of the ADHC Provider and all appurtenances by authorized representative(s) designated by the VA, to determine whether acceptable standards are maintained and that adequate care is being rendered.
6. The ADHC agrees to accept referral of and to provide all services specified in this contract for any person determined eligible by the Chief Medical Director or his/her designee, regardless of the race, color, religion, sex or national origin (unless otherwise indicated as an exception) of the person for whom such services are ordered. In addition, the ADHC Provider warrants that subcontracting will not be resorted to as a means of circumventing this provision.
7. It is agreed that the VA may readily have access to all medical records concerning the veteran's care in the ADHC Provider. It is agreed that duly authorized representatives of the VA will provide follow-up supervision visits to veterans placed to assure that continuity of care and to assist in the veteran's transition back into the community. It is understood that these visits do not substitute nor relieve the ADHC Provider in any way of the responsibility of the daily care and medical treatment of the veteran. Upon discharge or death of the patient, medical records on all VA beneficiaries will be retained by the ADHC Provider for a period of at least three (3) years following termination of care at VA expense.
8. It is understood that the beneficiary may be provided ADHC at the expense of the VA for a period not in excess of that stated in the treatment plan received from the VA, unless an extension of the authorization is provided in writing by the appropriate VA facility or Contracting Officer.
9. It is agreed that the ADHC Provider will submit a report each month on the attendance, medical, functional and psychosocial status of beneficiaries receiving care under the contract to the VA along with a monthly invoice for beneficiaries receiving care under the contract.
10. It is understood that payments made by the VA under this contract will constitute the total cost of ADHC. The ADHC agrees that no additional charges will be billed to the beneficiary or his/her family, either by the ADHC Provider or any third party furnishing services or supplies required for such care, unless and until specific prior authorization in writing is obtained from the Contracting Officer or the VA Facility that authorized placement.
11. The ADHC Provider warrants that all applicable fire laws are being complied with and there are no recommendations of fire officials which have not been resolved.
12. It is impossible to determine the exact or estimated amount which will be expended under the contract. It is understood that no obligation will be incurred by the VA under this contract until authorizations are issued for ADHC for specific beneficiaries. The VA agrees to make payment on a timely basis for services rendered in accordance with such

authorization upon receipt of billings submitted by the ADHC Provider at the completion of each month's services. If a beneficiary is admitted to and discharged from the ADHC Provider on the same calendar day, payment will be made for one day.

Invoices shall be submitted to the VA facility authorizing admission of the patient.

17. VA reserves the right to remove any or all VA patients from the ADHC facility at any time when it is determined to be in the best interest of VA or other patients.

JCAHO GUIDELINES

Where the contract does not require JCAHO accreditation or other regulatory requirements regarding worker competency, the Contractor must perform the required work in accordance with JCAHO standards. The contractor is required to develop and maintain the following documents for each Contractor employee working on the contract: credentials and qualifications for the job; a current competence assessment checklist (an assessment of knowledge, skills, abilities and behaviors required to perform a job correctly and skillfully; includes knowledge and skills required to provide care for certain patient populations, as appropriate.); a current performance evaluation supporting ability of the Contractor employee to successfully perform the work required in this solicitation; and listing of relevant continuing education for the last two years. The Contractor will provide current copies of these records at the time of contract award and annually on the anniversary date of contract award to the VA COTR, or upon request, for each Contractor employee working on the contract.

PATIENT RECORDS: Provisions shall be made for VA Staff to review veteran patient records upon request. Release of information on all VA patient records shall be initiated by the adult day care upon admission to program.

B.5 SUPPLIES OR SERVICES AND PRICE/COST

1. This is a basic ordering agreement, in accordance with FAR 16.7. A contract is formed, in accordance with the terms and conditions of this agreement, when VA agrees to place a client in the Adult Day Care and the Adult Day Care agrees to accept the client. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

- (1) Within a reasonable time after the defect was discovered or should have been discovered; and
- (2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title.* Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(9) The specification.

(t) *System for Award Management (SAM).*

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through <https://www.acquisition.gov>.

(u) *Unauthorized Obligations.*

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(a) *Minimum order.* When the Government requires supplies or services covered by this contract in an amount of less than \$1000.00, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) *Maximum order.* The Contractor is not obligated to honor—

(1) Any order for a single item in excess of \$10,000.00;

(2) Any order for a combination of items in excess of \$100,000.00; or

(3) A series of orders from the same ordering office within 30 days that together call for quantities exceeding the limitation in paragraph (b)(1) or (2) of this section.

(c) If this is a requirements contract (i.e., includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) of this section.

(d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within Five (5) days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up

(c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; *provided*, that the Contractor shall not be required to make any deliveries under this contract after July 31, 2019.

Funds are not presently available for performance under this contract beyond September 30, 2014. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond September 30, 2014, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

C.17 MINIMUM QUANTITIES

It is impossible to determine the exact or estimated amount which will be expended under this contract. ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$3.81 per hour or \$152.40 per week or \$660.40 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or

successor; 3 weeks after 10 years, and 4 after 20 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility.(Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of thirteen paid holidays per year: New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Day after Thanksgiving, Christmas Eve, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.

400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials.

This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder

and photoflash powder. All dry-house activities involving propellants or explosives.

Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used.

All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear"

materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006,

unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe

benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour decision to the contractor.

6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination.

Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

SECTION E - SOLICITATION PROVISIONS

E.1 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL ITEMS (JUL 2013)

(a) *North American Industry Classification System (NAICS) code and small business size standard.* The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) *Submission of offers.* Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at FAR 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) *Product samples.* When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids).* The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards.* The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

(j) *Data Universal Numbering System (DUNS) Number.* (Applies to all offers exceeding \$3,000, and offers of \$3,000 or less if the solicitation requires the Contractor to be registered in the System for Award Management (SAM) database. The offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "DUNS" or "DUNS +4" followed by the DUNS or DUNS +4 number that identifies the offeror's name and address. The DUNS +4 is the DUNS number plus a 4-character suffix that may be assigned at the discretion of the offeror to establish additional SAM records for identifying alternative Electronic Funds Transfer (EFT) accounts (see FAR Subpart 32.11) for the same concern. If the offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one. An

offeror within the United States may contact Dun and Bradstreet by calling 1-866-705-5711 or via the internet at <http://www.fedgov.dnb.com/webform>. An offeror located outside the United States must contact the local Dun and Bradstreet office for a DUNS number. The offeror should indicate that it is an offeror for a Government contract when contacting the local Dun and Bradstreet office.

(k) *System for Award Management*. Unless exempted by an addendum to this solicitation, by submission of an offer, the offeror acknowledges the requirement that a prospective awardee shall be registered in the SAM database prior to award, during performance and through final payment of any contract resulting from this solicitation. If the Offeror does not become registered in the SAM database in the time prescribed by the Contracting Officer, the Contracting Officer will proceed to award to the next otherwise successful registered Offeror. - (6) Reasonable responses to relevant questions posed by the debriefed offeror as to whether source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the agency.

ADDENDUM to FAR 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL ITEMS

Provisions that are incorporated by reference (by Citation Number, Title, and Date), have the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available.

The following provisions are incorporated into 52.212-1 as an addendum to this solicitation:

ADDENDUM to FAR 52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS

NOTE: Offeror agrees to hold the prices in its quote firm for **90 days** from the date specified for receipt of quotes.

1. This requirement is being solicited in accordance with FAR Parts 12 and 13.5.
2. Offerors shall provide information as described below. All information must be submitted in the manner described below and offerors who do not submit all information may not be considered for award.

3. It is the government's intent to award a Basic Ordering Agreement without discussions. The government is not obligated to request any additional information from an offeror who does not provide sufficiently detailed information of which an accurate evaluation can be made of an offeror's proposal. Failure to submit complete information in the manner described below for the Technical Proposal may be grounds to consider the offeror "Non-responsive" and exclude the proposal from further consideration. It is, therefore, in the offeror's best interest to submit all required documentation to the fullest degree possible. If an offeror cannot provide all information required by the evaluation factors, a statement documenting each omission shall be included in the offeror's proposal addressing the omission(s).

4. Offerors shall provide a written proposal addressing each factor listed in FAR 52.212-2, EVALUATION – COMMERCIAL ITEMS (JAN 1999) of the solicitation. Offers are to be submitted in two (2) parts: 1) a price response; and 2) a non-price response to the evaluation factors and sub factors. Both responses shall be submitted together; however, the non-price and price responses shall be separated into two (2) severable parts. The pricing response shall consist of the signed Standard Form (SF) 1449 and complete the Price/Cost Schedule, completed FAR provisions 52.209-5(deviation),52.209-7(Addendum to 52.212-1), and representations and certifications at FAR 52.212-3. The non-price response shall address the non-price evaluation criteria. Proposals shall include and be submitted in the following manner:

In order to provide full consideration of qualifications for BOA award, offerors are encouraged to ensure that the information furnished in support of the technical response is factual, accurate and complete. The Government reserves the right to verify any information provided for evaluation purposes.

The Government will consider an offeror's compliance with the proposal instructions to be indicative of the type of conduct that it may expect from the offeror during BOA and subsequent contract performance. Therefore, failure to comply with these instructions may be grounds for exclusion of the proposal from further consideration.

BASIS FOR BOA AWARD:

This is a best value source selection conducted in accordance with Federal Acquisition Regulation (FAR) 13. **The Government will select the best overall offer(s), based upon an integrated assessment of evaluation factors listed in the FAR 52.212-2 Evaluation – Commercial Items (JAN 1999).** A Basic Ordering Agreement (BOA) will be awarded to the offeror(s) who is deemed responsible in accordance with the FAR, whose offer conforms to the solicitation's requirements (to include all stated terms, conditions, representations, certifications, and all other information required by the Statement of Work and is determined by an overall assessment of the responses to the evaluation factors to represent the most advantageous offer to the Government. As part of making the assessment, a best value analysis will be performed determining whether or not exceeding the minimum requirements at an associated price provides the best value to the Government. As a basis for award, trade-offs between price and non-price factors are permitted.

THEREFORE, THE GOVERNMENT RESERVES THE RIGHT TO AWARD TO OTHER THAN THE LOWEST PRICED OFFEROR OR OTHER THAN THE HIGHEST TECHNICALLY RATED OFFEROR. However, the degree of importance of price as a factor in determining award could become greater depending upon the equality of the offers evaluated in the non- price factors. The greater the equality of offers within the non- price factors, the more important price becomes in selecting the best value to the Government. Unrealistically proposed prices may be grounds for eliminating an offer from competition either on the basis that the offeror does not understand the requirement(s) or the offeror has made an unreasonable/unrealistic proposal.

Award for All of the Work: The Government reserves the right to award Multiple Basic Ordering Agreements as a result of this solicitation. Offers received for less than the stated number of items listed in the schedule shall be considered ineligible for award. The Government, however, reserves the right to make an award for any item from any offeror for a quantity less than or equal to the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

Please provide the following information along with your price proposal:

a. **PRICE:** A brief narrative discussing the methodology used to price this proposal. Please include a summary of information related to how the pricing was calculated.

b. **PAST PERFORMANCE:** Past Performance evaluations will be conducted using information provided with the offer, information obtained from references, information obtained from the Past Performance Information Retrieval System (PPIRS), and information from any other sources deemed appropriate. When evaluating past performance, the Government may consider the currency and relevancy of the information, the source of the information, the context of the data provided, and the general trends in the contractor's performance. The government may take into account past performance information regarding predecessor companies, key personnel who have relevant experience and/or subcontractors that will perform major or critical aspects of the requirement. An offeror that has no available relevant past performance history will not be evaluated favorably or unfavorably.

Offerors are cautioned that the Government may review available past performance data available in the Past Performance Information Retrieval System (PPIRS) and the Federal Awardee Performance and Integrity Information System (FAPIIS). The Government reserves the right to obtain past performance information from any available source and may contact customers other than those identified by the Offeror when evaluating past performance. Offerors may provide information on problems encountered on the identified contracts and the offeror's corrective actions.

The Offeror shall list up to **five (5)** most recent completed BOA(s) of similar size and scope during the **last three (3) calendar years** along with Point of Contact (POC) information (Name, Address, Telephone Number, Email Address and Fax Number) of a POC of the owner of those projects or person who represented the owner and would have the most detailed information about the Offeror's performance. **The Offeror shall provide the attached "Past Performance Evaluation Questionnaire" (Attachment 2 under Section D) form to each of the owners listed for these projects and require that the form be completed and returned DIRECTLY to the Contracting Officer for receipt of the completed form no later than the date and time established for receipt of proposals.**

The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
