The following table is to be completed by all offerors as part of the quote/offer. Failure to complete and submit the table with signature and include it with your quote/offer may deem your quote/offer unresponsive.

Contractor Response to SOW Requirements

| SOW Sections/Subsections | Required Vendor Response |
|--|---|
| Contractor can supply all of the products as listed in Section B.2, Price/Cost Schedule of this solicitation to the Salisbury VA Medical Center. | Check one: <input type="checkbox"/> Vendor can meet Requirement <input type="checkbox"/> Vendor cannot meet Requirement Comments/Requested changes: Click here to enter text. |
| Contractor shall supply radiopharmaceutical products in accordance with Public Law 104-262 and 38 USC 8153. | Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text. |
| The offeror shall supply radioisotopes from non-High Enriched Uranium (HEU) sources. | Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text. |
| Contractor and all sub-contractors shall be licensed by or mutually partnered to receive orders and purchase from a contractor and all sub-contractors that are licensed by the Nuclear Regulatory Commission and be regularly established in the business of providing radiopharmaceuticals. The Contractor shall provide copies of licenses, certifications, and applicable supply partnering agreements along with the offer. | Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text. |
| Diagnostic radioactive isotopes have a short shelf life and must be delivered on a daily basis. Delivery requests shall specify the item and quantity of items to be delivered and the time of delivery. The contractor, sub-contractors, or mutually partnered contractors must be able to deliver to the Salisbury VA Medical Center within 75 minutes of receipt of a request for those radioactive isotopes listed in the Schedule which have <u>limited shelf life.</u> | Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text. |
| The Contractor shall have the delivery capabilities to provide doses when needed. The VA Medical Center needs the capability to perform nuclear scans immediately when procedures are added during the day, whether an emergency or a new diagnosis. The contractor shall be able to provide and deliver all of the products listed in the Price/Cost Schedule. For radioisotopes not listed in the Price/cost Schedule, price will be determined and agreed upon at the time the order is placed. | Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text. |
| If the Contractor cannot supply a required radioisotope listed on the Schedule, the VA may obtain the requirement from another source. If a previously provided radioisotope did not meet Quality Control (QC) standards for imaging purposes, for reasons such as, but not limited to, (1) unusable diagnostic results (2) repeat imaging/treatment or (3) a delay in patient services, the VA may obtain the requirement from | Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text. |

| | |
|---|---|
| <p>another source until the Contractor can satisfactorily provide the required radioisotopes and ensure the cited problem has been corrected.</p> | |
| <p>The contractor will provide routine weekday (Monday through Friday) deliveries to the Nuclear Medicine Section of Radiology Service between 6:30 am and 7:00 am local time. Additional items may be added to the standing order if requested.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>The contractor will provide all radiopharmaceuticals in units specified. The cost of each radiopharmaceutical will be calculated on the unit quantified in the Price/Cost schedule.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>The latest acceptable delivery time for as needed radiopharmaceuticals is no later than (NLT) 2 hour time frame from order placement during normal duty hours (8:00 AM to 4:30 PM),</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>Contractor shall provide 24-hour on-call services for radiopharmaceuticals.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>Payment shall be made for only those orders specifically requested by the Salisbury VA Medical Center.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>Contractor will provide free delivery of all items to the Nuclear Medicine Department, 1601 Brenner Avenue, Salisbury, NC 28144. Contractor will include all radiopharmaceutical preparation and delivery services in the bid price of the individual radiopharmaceuticals and not as a separate item.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>Contractor will electronically transmit weekly invoices. Go to website: http://ob10.com/us/en/veterans-affairs-us/ to submit electronic invoices. Duplicate invoices should also be delivered to VA Medical Center Nuclear Medicine Department, 1601 Brenner Avenue, Salisbury, NC 28144 with an itemized list of each radiopharmaceutical or nonradioactive drug or item purchased.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>Contractor will provide mechanism for electronic tracking of radiopharmaceutical receipt and patient dose administration, including software and hardware support, with emphasis on meeting quality assurance and regulatory documentation. The contractor shall provide electronic tracking solution salient to the Syntrac.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |

| <p>In the event of a manufacturer or pharmacy recall or quality assurance failure, the contractor will notify the VA Nuclear Medicine Department immediately.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>A radio-pharmacist must be available to: A) Set up the quality assurance program on radiopharmaceutical preparations required by FDA, NRC, CAP, USP, and the Joint Commission. B) Prepare labeled blood products for reinjection into patients. C) Act as a reference source concerning questions on regulation of radiopharmaceuticals. D) Provide reference services for research drugs and radionuclides under research protocols. E) Provide instruction (continuing education) to technologists on new changes in radiopharmaceutical products and availability.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>Quality Assurance Surveillance Plan: contractor will be monitored for performance of services according to the following criteria: A) Accuracy of delivered order: all daily deliveries should match order placed. B) Timeliness of deliveries: all daily deliveries should arrive according to statements 1 and 3 above. C) Compliance of shipping containers: all containers will be secured and labeled according to NRC and DOT regulations. D) Radiation safety review: package surveys and wipes for removable contamination will meet NRC and DOT guidelines. E) Communication of industry issues: industry shortages or product recalls will be communicated within 24 hours</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |
| <p>The delivery order shall specify the item and quantity of the items delivered and the time of delivery.</p> | <p>Check one: <input type="checkbox"/> Vendor Accepts Requirement <input type="checkbox"/> Vendor Rejects Requirement Comments/Requested changes: Click here to enter text.</p> |

I certify that the responses and information provided by me in Table 1 are accurate and complete to the best of my knowledge and belief.
