

**Request for Information  
Pallet Jack Battery**

**Background:**

The Department of Veterans Affairs, Austin Information Technology Center, Pallet jack battery replacement.

**Requirements:**

Please see attached Product Description

**Responses:**

If you are able to provide the necessary supplies please respond to this RFI certifying capability. In addition to the requirements certification all responses shall clearly show socio-economic status.

The following information details the Government's intent for this acquisition:

- a. The primary NAICS code for this effort is **335912**
- b. Firm Fixed Price Task Order is contemplated
- c. We anticipate awarding the task order to only one responsive, responsible contractor.

Please note that this is a market research request only. Any proposal or pricing received in response to this RFI will be used for market research purposes only and cannot be considered to form a binding contract with the VA. The costs associated with any response to this RFI are the sole responsibility of the offeror.

**Response submission:**

Please submit responses via email to [chaz.gordon@va.gov](mailto:chaz.gordon@va.gov) by 4:30PM CST, August 8, 2014. Responses should also include name, phone number, and email address of the lead from your organization as well as your GSA contract #. VA reserves the right to not respond to any or all emails or materials submitted.

**Disclaimer:**

This is a Request for Information (RFI) issued in accordance with FAR 15.201(e) to conduct market research. This RFI is issued solely for information and planning purposes – it does not constitute a Request for Proposal (RFP) or a promise to issue a RFP in the future. This RFI does not commit the Government to contract for any supply or service whatsoever. VA is not, at this time, seeking proposals and will not accept unsolicited proposals. Responders are advised that the Government will not pay for any information or administrative costs incurred in response to this RFI; all costs associated with responding to this RFI will be solely at the interested vendor's expense. Any information submitted by respondents to this RFI is strictly voluntary and the submissions will not be returned.
