

Site Visit Announcement

The Coatesville Veterans Affairs Medical Center (VAMC) will hold a site visit for all vendors interested in the Panic Alarm System project, posted to FBO (www.fbo.gov) on Thursday, July 31, 2014. This solicitation is an open market, small business set-aside.

The details for the site visit are as follows:

Date: Tuesday, August 12, 2014
Time: 10:00 AM EDT

Interested vendors shall meet at the Coatesville VAMC, Acquisition Management Service, Building 19 South, no later than 9:45 AM on Tuesday, August 12, 2014. A map of the campus is attached to this notice.

The site visit will include a tour of the area on the VAMC campus where the panic alarm system will be installed. The site visit will be facilitated by Coatesville VAMC Police Service. Individual meetings with interested vendors either prior to, at the conclusion of, or in the days/weeks following the site visit will not be scheduled.

Interested vendors must confirm their attendance at the site visit no later than 5:00 PM on Monday, August 11, 2014, by contacting Adam Pearson (adam.pearson2@va.gov). Please include the names of the individuals from your company who will attend the visit on your e-mail. Your e-mail will be acknowledged upon receipt.

A vendor's decision not to attend the site visit will not preclude the vendor from providing a quote on this project. However, additional site visits and individual meetings for this project will not be held.

Vendors may submit questions for items needing clarification to the Contracting Officer via e-mail or fax up until 5:00 PM on Thursday, August 14, 2014. If necessary, an amendment to the RFQ will be posted to www.fbo.gov no later than 5:00 PM on Monday, August 18, 2014. Final quotes must be submitted to the Contracting Officer no later than 5:00 PM on Friday, August 22, 2014.

Please direct any questions regarding this procurement to the Contracting Officer:
