5. Demonstration that the Contractor's Unique Qualifications or Nature of the Acquisition Requires the Use of the Authority Cited Above (applicability of authority):

The Iowa City campus has converted to GE Telegence Nurse Call System. New components for this project must tie into the existing, fully operational system.
6. Determination by the Contracting Officer that the Anticipated Cost to the Government will be Fair and Reasonable: Final determination that the cost will be Fair and Reasonable will be made by the Contracting Officer.
7. Description of the Market Research Conducted and the Results, or a Statement of the Reasons Market Research Was Not Conducted:

As described in Section VI above, market research, in accordance with FAR Part 10, was conducted by synopsis of the proposed acquisition, advising industry of the pending acquisition and soliciting inquiries from interested parties.

8. Any Other Facts Supporting the Use of Other than Full and Open Competition: New components must tie into an existing, operational system. At this time, there are no competing vendors who's products are fully compatible with our existing system.
9. Listing of Sources that Expressed, in Writing, an Interest in the Acquisition: See Section VI above.
10. A Statement of the Actions, if any, the Agency May Take to Remove or Overcome any Barriers to Competition before Making subsequent acquisitions for the supplies or services required: There are no other vendors available who have fully integrated products for the GE Telegence Nurse Call System. If, in the future, other vendors are capable of supplying such products, the Iowa City VA HCS will open competition to their products.
11. Requirements Certification: I certify that the requirement outlined in this justification is a Bona Fide Need of the Department of Veterans Affairs and that the supporting data under my cognizance, which are included in the justification, are accurate and complete to the best of my knowledge and belief.
