## DESCRIPTION OF PROBLEM OR INFORMATION REQUESTED

1. At the Site Visit, we were advised by the VA representative that there is no asbestos abatement for this project. Section 02 83 13.31, Part 1.1.2 states there is 500 DF of transite to be removed. Please clarify this discrepancy.

## OWNER RESPONSE

### Response from Schwab engineering & Management:

Specification section 02 82 13.31 indicates that the quantity is for informational purpose only and is based on the best information available at the time of the specification preparation. If the VA Repressive advised the contractor that there is no asbestos abatement for the project then contractor shall confirm the information and ignore the asbestos abatement requirement of specification section 02 82 13.31.
