## **BID REQUEST FOR INFORMATION (RFI) FORM**

SOLICITATION: VA261-14-B-0687 Medical Specialties

RFI #16– The security guard requirement is in spec section 01 00 00 General Requirements. Section 1.4 - C

Guards:

1. The General Contractor shall provide unarmed guards at the project site 24 hours a days, 7 days a week.
2. The guard shall have communication devices to report events as directed by VA police.
3. The general Contractor shall install equipment for recording guard rounds to ensure systematic checking of the premises.

[No, 24/7 guard service is not a requirement. Please disregard this requirement.](#)

RFI#17 – Please reference Drawing P103. There are units designated AC/1 and VP/1 in the upper left hand corner of the roof. These appear to be for medical gas, but there is no specification section for them. There is no medical gas shown in the drawings. Are these units in the scope of the project? Is there med gas piping in the scope of the project? If it is in scope please provide plans and specs for this work.

Thank you.

[There is no medical gas in the building.](#)
