**5. List the proposed contractor (name, contact, and phone number) and describe the unique knowledge or capabilities of the proposed contractor:**

Manufacturer/Contractor: Maquet Medical Systems Inc.

Manufacturer/Contractor: POC & phone number: [REDACTED]

Manufacturer/Contractor: Address: 45 Barbour Pond Dr, Wayne, NJ 07470

Maquet Medical Systems Inc. has proprietary rights to OEM parts and diagnostic software for this equipment. Maquet Medical Systems Inc. is the OEM of the CS300 intra-aortic balloon pumps and is the only vendor with access to proprietary parts and test equipment to ensure devices are returned to original state to meet manufacturer's specifications. Maquet has factory trained technicians that can work on the equipment. This requirement affects patient care if these anesthesia units are not serviced immediately. The continuous downtimes of the medical units will have a critical impact on surgical care for our veterans.

**6. Describe your market research efforts and efforts to ensure that offers are solicited from as many potential sources as is practicable:**

Market research indicates that Maquet Medical Systems Inc. has proprietary rights to OEM parts and diagnostic software for this equipment.

Intent to sole source was released on August 4, 2014 on FBO.gov and closed on August 11, 2014 with no contractor responding to the posting. This market research did not yielded additional sources capable of meeting all of the Government's requirements.

As of result of the market research, Contracting Officer decided to do a sole source to Maquet Medical Systems Inc.

**7. State why you feel that the anticipated cost to the Government will be fair and reasonable:**

[REDACTED]

8. **Other:** In the event of future requirements, market research will be conducted for potential contractors that are authorized to perform maintenance on Maquet Medical Systems' units.

9. **Certifications:**

I hereby certify that the data provided above is accurate and complete to the best of my knowledge and belief.
