[REDACTED]

The Siemens Artis Zee Cath Lab is an essential piece of equipment for the care of veterans. Failure to repair the machine will cause undo time delays in patient treatment and may impact the severity of the patients care. Veterans will be forced to seek treatment at other facilities at considerable costs to the patient and the government. Siemens is the OEM of this equipment.

6. Describe your market research efforts and efforts to ensure that offers are solicited from as many potential sources as is practicable:

Three companies were verbally contacted to find their pricing for a replacement part, PartsSource Inc., Technical Prospects and Siemens all quoted identical pricing. Siemens Medical Solutions has been utilized in the past by the Milwaukee VAMC for repair services

for similar equipment: [REDACTED]

7. State why you feel that the anticipated cost to the Government will be fair and reasonable:

The COR assisted in determining the number of hours for this repair along with the part cost was reasonable. The total cost of this repair has been determined fair and reasonable by the Contracting Officer with the help from the COR. The number of hours was in line with previous other repairs and was fair and reasonable based the expertise of the COR on identifying the estimated hours for the repair. In addition, the vendor provided discounted pricing on all catalog/list pricing for work conducted on rendered [REDACTED]
