**5. List the proposed contractor (name, contact, and phone number) and describe the unique knowledge or capabilities of the proposed contractor:**

[REDACTED]

Manufacturer/Contractor: Doctors Oxygen Service, Inc.

Manufacturer/Contractor: POC & phone number: [REDACTED]

Manufacturer/Contractor: Address: 10180 S 54<sup>th</sup> Street Franklin, WI 53132

Drager Medical Medical has proprietary rights to OEM parts and diagnostic software for this equipment. Only Doctors Oxygen Service, Inc. is authorized to perform on their anesthesia equipment. This requirement affects patient care if these anesthesia units are not serviced immediately. The continuous downtimes of the Drager-Fabius Anesthesia units will have a critical impact on surgical care for our veterans.

**6. Describe your market research efforts and efforts to ensure that offers are solicited from as many potential sources as is practicable:**

Market research indicates that Drager Medical Medical has proprietary rights to OEM parts and diagnostic software for this equipment.

Intent to sole source was released on June 6, 2014 on FBO.gov and closed on June 13, 2014 with no contractor responding to the posting.

As a result of the notice, Contracting Officer decided to go for competition as a small business set-aside. The solicitation was posted on July 22, 2014 and closed on August 4, 2014. Contracting Officer received one quote and COR determined that the contractor was not deemed technically acceptable. Therefore, CO will continue with the initial market research and do a sole source to Doctors Oxygen Service, Inc.

**7. State why you feel that the anticipated cost to the Government will be fair and reasonable:**

At a minimum a price analysis to determine whether the price is fair and reasonable will be conducted. If a determination cannot be made even after obtaining additional information from sources other than the offeror, the contractor will be required to submit information other than cost or pricing data to support further analysis.

[REDACTED]

**8. Other:** In the event of future requirements, market research will be conducted for potential contractors that are authorized to perform maintenance on Draeger Anesthesia units.
