

Request for Information (RFI) number VA118A-15-N-0027 Real Time Location System Hand Hygiene

Questions and Answers (Round 3) - 12/22/2014

ID	Question	Response
1	How large is the "Small Scale Pilot" you reference? Approximately how many beds and wash / hand sanitizer stations will this "small scale pilot" include?	Please refer to section 3.0, "Sample Medical Center" of the RFI.
2	Is the VA interested in working with VA medical centers that have an existing Hand Hygiene system already in place?	This requirement is for a pilot program.
3	Can you provide a complete list of existing VA Medical Centers that already have RTLS completely implemented?	No VA Medical Centers have a complete RTLS solution implemented at this time.
