

KEY PERSONNEL (DEC 2014)

The personnel listed below are considered essential to the work being performed hereunder. Prior to substituting, removing, replacing, or diverting any of the specified individuals, the Contractor shall notify the Contracting Officer 15 working days in advance and shall submit a written request and justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on this Contract. The proposed substitution of personnel must meet or exceed the education, experience, and other technical requirements of the personnel being replaced. No change in personnel shall be made by the Contractor without the prior written consent of the Contracting Officer. However, in urgent situations, as determined or agreed to by the Contracting Officer, an oral request to substitute key personnel may be approved and subsequently ratified by the Contracting Officer in writing. Such ratification shall constitute the consent of the Contracting Officer required by this paragraph. The Contracting Officer will notify the Contractor within 10 working days after receipt of all required information of the decision on the substitution(s). In the event the proposed substitution of key personnel does not meet or exceed the education, experience, and other technical requirements of the personnel being replaced, the Government reserves the right to require continued performance of previously approved key personnel or to require substitution of acceptable replacements for the individuals specified below. The key personnel listed below may, with the consent of the contracting parties, be amended from time to time during the course of the Contract to either add or delete personnel as appropriate.
