

**Statement of Work
Project No. 653-13-100
Seismically Upgrade Building 7 Boiler Plant**

Location:

VA Roseburg Healthcare System, Building 7, 913 NW Garden Valley Blvd.,
Roseburg, OR 97471.

Scope of Work:

Project will seismically upgrade and renovate Building 7 Boiler Plant. The project will replace boilers and mechanical steam systems, construct a generator building addition, and upgrade architectural, structural and mechanical elements of the building. The Contractor shall furnish labor and materials and perform work to renovate and modify Building 7 as required by the drawings and specifications.
