## **B.3 STATEMENT OF WORK**

### **2. Qualifications and Duties of the Contractor**

- a. The contractor must demonstrate experience performing Legionella testing and reporting of in-patient hospitals, dormitories, and/or nursing home facilities.
- b. The contractor must have staffed personnel which can demonstrate formal training and/or education in environmental sciences or related coursework.
- c. The contractor must be able to report for sample collection within 24 hours' notice from facility management.
- d. The contractor performing field sampling and reporting shall not engage in the sale of Legionella detection and/or prevention chemicals or equipment. This is in order to avoid potential conflict of interest that can arise by a water treatment vendor providing interpretation and consulting of test results.
- e. The contractor performing field sampling and reporting shall be a separate entity than the analytical lab providing the Legionella analysis (Testing Laboratory) and must not own their own water testing lab.
- f. The Contractor shall not be a manufacturer, purveyor or vendor of water treatment chemicals, materials or equipment.
