

1. Will the VAMC be providing us with an electronic back ground of the buildings and tunnel structures for the creation of the consolidated and coordinated layout drawings?
2. On drawing PH 103 detail #2 refers to a detail #3 on PH 103 but there is no detail #3 on PH 103. Please clarify.

**Responses:**

1. Response to be provided by VA. Yes, this can be provided by VA if & when requested.
2. Detail reference should be 1/MH502.
