

## STATEMENT OF OBJECTIVES (SOO)

May 20, 2015

**Project Name:** Purchase of Bedside Cabinets

**Stakeholder(s):** Director, Ralph H Johnson, VA Medical Center;

### Purpose

The Ralph H. Johnson VA Medical Center is considering purchasing furnishings for the Bedside Cabinets in the patient rooms at the medical center. Furniture and furnishings currently in use at the facility is worn, stained and outdated and is in non-compliance with VA Infection Control Standards and ADA requirements.

### Background

The medical center has been experiencing growth in patient care programs for the past couple of years, more patients and families/guests rotating through the areas thus increasing the need for staff. Items have become dated, worn, stained and in many cases, unusable and unsightly. Infection control standards have increased since the last purchase of tables and cabinets, as well as the ADA requirements.

### Scope

The scope for the purchase of the task stools is as follows:

### Program Objectives

BEDSIDE CABINETS WITH ADA COMPLIANT DRAWER PULLS ON CASTERS, SAME OR SIMILAR TO GLOBALCARE SONOMA COLLECTION MODEL GCLBT06C, IN EMPIRE MAHOGANY	QTY 120
---	---------

### Period and Place of Performance

Installation of furniture shall occur within 8 weeks of PO issuance at 109 Bee Street, Charleston, SC 29401. POC – [REDACTED]

Furniture will be installed after hours and on weekends only to reduce impact to patient care. Cabinets will be distributed throughout the facility

### Constraints

- All furniture to exceed 25-year warranty and include ongoing service agreement for replacement and repair of systems furniture.
- All material, tools and labor are to be supplied by the vendor.
- Trash removal and pickup are to be completely throughout the job and work areas and egress routes (hallways, exits, dock areas) are to remain clean throughout the job as well.
- All furniture to be manufactured/distributed within 500 mile radius to meet LEED certification requirements.

- All installation to be handled by vendor in turnkey operation (one-time period for delivery and installation).
- All freight to be included with the price of installation.
