Jack Bolke
Minnesota License No. 20281

- NOTES:
- The horizontal datum is the Kentucky State Plane Coordinate System, North Zone, NAD 83(96).
 - The benchmark for the project is the first floor elevation of the office building as depicted on the plan as BM No. 1 elevation = 948.02. The second site benchmark is the top nut of hydrant located on the east side of the office building as depicted on the plan as BM No. 2 elevation = 946.17.
 - The location and extent of underground utilities, if shown, are based upon existing drawings provided by the utility companies and by above ground evidence. There is no guarantee as to the accuracy or the completeness of this information. The size and location should be considered approximate. Additional underground utilities may be present.

SOIL BORING TABLE

BORE	NORTHING	EASTING	GROUND ELEVATION
