All parts related to the access system to include but not limited to:

1. Proximity card readers
2. RP40 multi tech
3. RPK 40 multi tech with keypad
4. RP 15 card reader
5. Single mag locks
6. Double mag locks
7. Single door strikes
8. Gate locks
9. Motion detectors
10. Motion detectors DSI
11. Aiphone camera intercoms
12. Exit buttons
13. Surface door contacts
14. Recessed door contacts
15. Wiegand proximity star coupler board
16. I-Star GCM controller board
17. I-Star ACM door module board
18. I/8 input module
19. R/8 input module
20. R/8 relay module board
21. Arm module
22. Access control power supplies
23. Discover series mini-domes
24. 2.5MM – 6.0 MM discovery series mini-domes
25. 3.8 – 9.5 MM outdoor ultra mini-domes
26. Ultra 8 PTZ dome cameras and housing
27. ADSPOT PTZ power supplies; fuses, surge suppressors, lightning arrestors, ect
28. Card access C-CURE 800
29. Server
30. Monitoring work station
31. Badging workstations
32. Card access channel
33. Fiber optical converter
34. Card access badging cameras
35. Badging printers
36. Readers door controller
37. Card access Wiegand
38. Proximity star coupler
39. Base module
40. Extension module
41. Card access lantronix medical converter
42. Card access I-star pro readers door controller
43. Card access I-star ex
44. Reader Door controller card access
45. 8 input module

46. Card access 8 output module card access
47. RM-4E
48. Remote door module
49. Card access 12/24 VDC
50. Power supply
51. Card access zone 2
52. Card access panic bar with lock
53. CCTV
54. Intalex DVMS rack mount
55. MVR
56. 16 Channels DVR's
57. 16 CCTV LCD Color Monitors
58. 15"/17"/37" (1280X1024) Monitors
59. CCTV color monitor with keyboard
60. Rack mount CCTV controller
61. CCTV workstation
62. CCTV PTZ keyboard/controller
63. CCTV KVM switch
64. CCTV multiplexer 16 Channel
65. CCTV dome kit
66. Ultra VII outdoor CCTV dome kit
67. Ultra VII indoor CCTV mini-dome
68. IP cameras
69. Discovery indoor (used as box camera replacement as well)
70. CCTV outdoor box camera with environmental housing
71. CCTV 12/24 DVR and VAC power supply
72. Intrusion: 12 zone intercom master station
73. 24 zone intercom slave door
74. Stations 7 intercom modules
75. Intrusion Burg control panel
76. Intrusion/burg control panel keypads
77. Intrusion burg dialer
78. Intrusion/burg power supply
79. Intrusion burg dialer
80. Intrusion/burg power supply
81. Intrusion enunciator (strobe/siren/horn)
82. Intrusion motion detectors
