

IFB VA701-15-B-0144 – DALLAS PARKING GARAGE II Q & A RESPONSE TRACKING SHEET

ITEM NO.	DATE QUESTION RECEIVED	DATE QUESTION ANSWERED	QUESTION	GOVERNMENT RESPONSE
1.	08-24-2015	08-31-2015	I'm aware that a Geotech report exist, but I was wondering if a lab has been chosen for the materials testing.	No a Testing Lab has not been chosen. Specification 01 25 29 -1.1 Testing Laboratory Services states "This section specifies materials testing activities and inspection services required during the project construction to be provided by a Testing Laboratory retained by the Contractor.
2.	08-24-2015	08-26-2015	We specialize in commercial HD Security camera installations and would like to provide a bid on your surveillance needs, if bidding is still open on this project.	The bids for this project are due on September 22, 2015. Please review the project specifications and drawings to see what there is for security cameras. Please monitor FBO.gov for an amendment to the solicitation that contains the sign in sheet from the site visit. This sign in sheet will contain a list of all the interested contractors for the project.
3.	08-24-2015	08-31-2015	I was getting all information off of ISQFT for the above job and there is not a generator specification included. There was a spec for the ATS. Do you have a specification for the generator?	Refer to Section 26-32-13 Engine Generators. This is included in Amendment A00002.
4.	08-25-2015	08-26-2015	Could we get a list of the General Contractors that are bidding this job so we can send them a price for this project?	A list is not available. However, after the pre-bid site visit on 08-28-2015, the sign-in sheet will be posted as an amendment to the solicitation.
