**PRIVACY TRAINING for FHCC CONTRACTORS**

Due to the increased emphasis on privacy and information security, the following special contract requirements are established and hereby made part of the contract entered into with the Department of Veterans Affairs for the CAPT James A Lovell Federal Health Care Center.

1. Privacy Training: Contractor and their sub-contractors are required to receive annual training on patient privacy as established by HIPAA statutes. Training must meet VA, DOD and the Department of Health and Human Services Standards for Privacy of Individually-identifiable health information. Contractor shall provide documented proof to the FHCC upon request that all employees assigned work within the FHCC patient environment and/or having access to Protected Health Information have received annual training. Information on fulfilling the training requirement as stated in this paragraph can be found at <https://www.tms.va.gov/plateau/user/SelfRegistrationUserSelection.do>. Privacy training is available at this site if the contractor has not previously completed approved HIPAA/Privacy training within the past year.

Contractor shall provide documented proof of training completion to the assigned COR/COTR prior to beginning contract performance for all contractor employees servicing a FHCC contract.

**FHCC SENSITIVE INFORMATION & DATA SECURITY REQUIREMENTS**

A. Paper, plastic or other similar based media containing FHCC sensitive data that is not sent to the FHCC will be properly disposed of by the contractor by methods such as shredders with no larger than 1/8 inch width cuts and then cross cut. This media will be destroyed such that information may not be retrieved. Media with small print, such as microfilm will be completely destroyed such as to render the information unrecoverable.

B. The contractor will take due diligence to make sure that FHCC sensitive information and data that is viewed, faxed or similarly transmitted, or discussed verbally is protected from unapproved disclosure.

C. FHCC sensitive information and data may not be transmitted across the Internet unencrypted (including email and instant messaging) and must be protected by Network and/or FHCC approved encryption process (Example: PKI - Public Key Infrastructure).

D. VA sensitive information may not reside on non-VA systems or devices.

E. Any security violations or suspected violations shall be immediately reported to the VA Contracting Officer and the FHCC Information Security Department.

#### LIQUIDATED DAMAGES FOR DATA BREACH

A. Consistent with the requirements of 38 U.S.C. §5725, a contract may require access to sensitive personal information. If so, the contractor is liable to the FHCC for liquidated damages in the event of a data breach or privacy incident involving any SPI the contractor/subcontractor processes or maintains under this contract.

B. The contractor/subcontractor shall provide notice to the FHCC of a “security incident” as set forth in the Security Incident Investigation section above. Upon such notification, the FHCC must secure from a non-Department entity or the FHCC Office of Inspector General an independent risk analysis of the data breach to determine the level of risk associated with the data breach for the potential misuse of any sensitive personal information involved in the data breach. The term 'data breach' means the loss, theft, or other unauthorized access, or any access other than that incidental to the scope of employment, to data containing sensitive personal information, in electronic or printed form, that results in the potential compromise of the confidentiality or integrity of the data. Contractor shall fully cooperate with the entity performing the risk analysis. Failure to cooperate may be deemed a material breach and grounds for contract termination.

C. Each risk analysis shall address all relevant information concerning the data breach, including the following:

- (1) Nature of the event (loss, theft, unauthorized access);
- (2) Description of the event, including:
  - (a) date of occurrence;
  - (b) data elements involved, including any PII, such as full name, social security number, date of birth, home address, account number, disability code;
- (3) Number of individuals affected or potentially affected;
- (4) Names of individuals or groups affected or potentially affected;
- (5) Ease of logical data access to the lost, stolen or improperly accessed data in light of the degree of protection for the data, e.g., unencrypted, plain text;
- (6) Amount of time the data has been out of FHCC control;
- (7) The likelihood that the sensitive personal information will or has been compromised (made accessible to and usable by unauthorized persons);
- (8) Known misuses of data containing sensitive personal information, if any;
- (9) Assessment of the potential harm to the affected individuals;
- (10) Data breach analysis as outlined in 6500.2 Handbook, Management of Security and Privacy Incidents, as appropriate; and
- (11) Whether credit protection services may assist record subjects in avoiding or mitigating the results of identity theft based on the sensitive personal information that may have been compromised.

D. Based on the determinations of the independent risk analysis, the contractor shall be responsible for paying to the FHCC liquidated damages in the amount of \$37.50 per affected individual to cover the cost of providing credit protection services to affected individuals consisting of the following:

- (1) Notification;
- (2) One year of credit monitoring services consisting of automatic daily monitoring of at least 3 relevant credit bureau reports;
- (3) Data breach analysis;
- (4) Fraud resolution services, including writing dispute letters, initiating fraud alerts and credit freezes, to assist affected individuals to bring matters to resolution;
- (5) One year of identity theft insurance with \$20,000.00 coverage at \$0 deductible; and
- (6) Necessary legal expenses the subjects may incur to repair falsified or damaged credit records, histories, or financial affairs.

#### CONFIDENTIALITY OF PATIENT RECORDS - FHCC

The Contractor is a FHCC contractor and will assist in the provision of health care to patients seeking such care from or through FHCC. As such, the Contractor is considered as being part of the Department health care activity. Contractor is considered to be a FHCC contractor for purposes of the Privacy Act, Title 5 U.S.C. 552a. Further, for the purpose of FHCC records access and patient confidentiality, Contractor is considered to be a FHCC contractor for the following provisions: Title 38 U.S.C. 5701, 5705, and 7362. Therefore, Contractor may have access, as would other appropriate components of the FHCC, to patient medical records including patient treatment records pertaining to drug and alcohol abuse, HIV, and sickle cell anemia, to the extent necessary to perform its contractual responsibilities. However, like other components of the Department, and notwithstanding any other provisions of the sharing agreement, the Contractor is restricted from making disclosures of FHCC records, or information contained in such records, to which it may have access, except to the extent that explicit disclosure authority from FHCC has been received. The Contractor is subject to the same penalties and liabilities for unauthorized disclosures of such records of the FHCC.

The records referred to above shall be and remain the property of the FHCC and shall not be removed or transferred from the FHCC except in accordance with U.S.C.551a (Privacy Act), 38 U.S.C. 5701 (Confidentiality of claimants records), 5 U.S.C. 552 (FOIA), 38 U.S.C. 5705 (Confidentiality of Medical Quality Assurance Records) 38 U.S.C. 7332 (Confidentiality of certain medical records) and federal laws, rules and regulations. Subject to applicable federal confidentiality or privacy laws, the Contractor, or their designated representatives, and designated representatives of federal regulatory agencies having jurisdiction over Contractor, may have access to FHCC 's records, at FHCC's place of business on request during normal business hours, to inspect and review and make copies of such records.

#### **HIPAA COMPLIANCE**

Contractor must adhere to the provisions of Public Law 104-191, Health Insurance Portability and Accountability Act (HIPAA) of 1996 and the National Standards to Protect the Privacy and Security of Protected Health Information (PHI). As required by HIPAA, the Department of Health and Human Services (HHS) has promulgated rules governing the security and use and disclosure of protected health information by covered entities, including the Department of Veterans Affairs (VA) and Department of Defense (DOD). In accordance with HIPAA, the Contractor may be required to enter into a Business Associate Agreement (BAA) with FHCC. FHCC INFORMATION CUSTODIAL LANGUAGE

A. Information made available to the contractor or subcontractor by FHCC for the performance or administration of this contract or information developed by the contractor/subcontractor in performance or administration of the contract shall be used only for those purposes and shall not be used in any other way without the prior written agreement of the FHCC. This clause expressly limits the contractor/subcontractor's rights to use data as described in Rights in Data - General, FAR 52.227-14(d) (1).

B. FHCC information should not be co-mingled, if possible, with any other data on the contractors/subcontractor's information systems or media storage systems in order to ensure FHCC requirements related to data protection and media sanitization can be met. If co-mingling must be allowed to meet the requirements of the business need, the contractor must ensure that FHCC's information is returned to the FHCC or destroyed in accordance with FHCC's sanitization requirements. FHCC reserves the right to conduct on site inspections of contractor and subcontractor IT resources to ensure data security controls, separation of data and job duties, and destruction/media sanitization procedures are in compliance with FHCC directive requirements.

C. Prior to termination or completion of this contract, contractor/subcontractor must not destroy information received from the FHCC, or gathered/created by the contractor in the course of performing this contract without prior written approval by the FHCC. Any data destruction done on behalf of the FHCC by a contractor/subcontractor must be done in accordance with National Archives and Records Administration (NARA) requirements as outlined in VA Directive 6300, Records and Information Management and its Handbook 6300.1 Records Management Procedures, applicable VA Records Control Schedules, and VA Handbook 6500.1, Electronic Media Sanitization. Self-certification by the contractor that the data destruction requirements above have been met must be sent to the FHCC Contracting Officer within 30 days of termination of the contract.

D. The contractor/subcontractor must receive, gather, store, back up, maintain, use, disclose and dispose of FHCC information only in compliance with the terms of the contract and applicable Federal and FHCC information confidentiality and security laws, regulations and policies. If Federal or FHCC information confidentiality and security laws, regulations and policies become applicable to the FHCC information or information systems after execution of the

contract, or if NIST issues or updates applicable FIPS or Special Publications (SP) after execution of this contract, the parties agree to negotiate in good faith to implement the information confidentiality and security laws, regulations and policies in this contract.

E. The contractor/subcontractor shall not make copies of FHCC information except as authorized and necessary to perform the terms of the agreement or to preserve electronic information stored on contractor/subcontractor electronic storage media for restoration in case any electronic equipment or data used by the contractor/subcontractor needs to be restored to an operating state. If copies are made for restoration purposes, after the restoration is complete, the copies must be appropriately destroyed.

F. If the FHCC determines that the contractor has violated any of the information confidentiality, privacy, and security provisions of the contract, it shall be sufficient grounds for the FHCC to withhold payment to the contractor or third party or terminate the contract for default or terminate for cause under Federal Acquisition Regulation (FAR) part 12.

### **FHCC CONTRACTOR PERSONNEL SECURITY REQUIREMENTS**

Contractor background investigation is not required.

### **SECURITY INCIDENT INVESTIGATION INVOLVING FHCC**

A. The term “security incident” means an event that has, or could have, resulted in unauthorized access to, loss or damage to VA and/or DOD assets (herein referred to as FHCC), or sensitive information, or an action that breaches FHCC security procedures. The contractor/subcontractor shall immediately notify the COR and simultaneously, the FHCC Information Security & Assurance Department (ISD) and designated Privacy Officer for the contract of any known or suspected security/privacy incidents, or any unauthorized disclosure of sensitive information, including that contained in system(s) to which the contractor/subcontractor has access.

B. Upon discovery, the business associate must notify the covered entity of the breach. Notifications need to be made in accordance with the executed business associate agreement.

D. In instances of theft or break-in or other criminal activity, the contractor/subcontractor must concurrently report the incident to the appropriate law enforcement entity (or entities) of jurisdiction, including the VA OIG and Security and Law Enforcement and FHCC Protective Services Department. The contractor, its employees, and its subcontractors and their employees shall cooperate with VA, FHCC and any law enforcement authority responsible for the investigation and prosecution of any possible criminal law violation(s) associated with any incident. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1)  Are,  are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2)  Have,  have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(4)  Have,  have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

**VA69D-15-Q-0570**

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).*

(1) *Listed end products.*

Listed End Product	Listed Countries of Origin

For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly—

**VA69D-15-Q-0570**

(2)  Outside the United States.

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.
