

EXHIBIT A – COVERED EQUIPMENT

The following turbine equipment and components shall be included in this service contract and shall be considered Covered Equipment.

EQUIPMENT	MODEL #	SERIAL #	DESCRIPTION	LOCATION
ERI/HRSG Boiler	S3-1614	W-4751	Boiler	Power Plant
HMI and BOP panels			Controls	Power Plant
Co2 System			Fire System	Cogen Skid
A. B. Load transmitters			Controls	Power Plant
A.B. Input transmitters			Controls	Power Plant
Cogen Power Disconnect switch			Electrical	Power Plant
Cogen Power leads,			Electrical	Power Plant
Cogen Power fuses			Electrical	Power Plant
Protective relay panel MPS			Electrical	Power Plant
Schweitzer protective relays			Electrical	Power Plant
GE protective relays			Electrical	Power Plant
Basler protective relays			Electrical	Power Plant
High Voltage switch			Electrical	Vault
Synchronizing switchgear			Electrical	Power Plant
Paralleling switchgear			Electrical	Power Plant
Diverter, mechanical and controls			Controls	Power Plant
Pre cooler assembly			Cogen	Rooftop
Cogen External Controls			Controls	Power Plant
High Volt Switchgear and breakers			Controls	Power Plant
Med. Volt Switchgear and breakers			Controls	Power Plant
Low volt Switchgear and breakers			Controls	Power Plant
Automatic Transfer switch ATS GG			Controls	Power Plant
HRSG Complete System			Controls	Power Plant
HRSG feed water			Cogen	Power Plant
HRSG feed water			Cogen	Power Plant
HRSG control valves			Cogen	Power Plant
HRSG steam line to VA Header HRSG	Cogen	Power Plant		
electrical power	Cogen	Power Plant		
HRSG alarm and control	Cogen	Power Pant		
Enclosure fans and filters	Cogen	Power Plant
