Proposal Inquiry: (Type inquiry below)

Proposal RFI #1 – There are no plans to indicate the scope of work for this project. The plans file is a copy of a section of the Virginia Building code. Will there be plans provided to indicate the square footage of work involved, existing equipment layouts, etc. ?

Proposal RFI #2 – The roofing project for Bldg 722 & Bldg 802 does not require plans because it is based off the manufacture guidance for the cold application for the selected membrane to be used.

Proposal RFI #3 -
