Pricing of Quotes: Offerors are required to submit pricing for ALL years listed wherein costs associated with readjustment counseling are identified by clinical specialty. For example, if a psychologist is identified as a clinician who will provide services, the hourly rate for that clinician must be listed. When invoices are submitted to VA, the clinician who provided service must be identified. Reimbursement will be based on the costs for that clinician. Please refer to Section Reimbursement and Limitations on Services, on proposing per-session rate(s). Enter N/A if not applicable to bidder's organizational capabilities.
