

## A.1 PRICE/COST SCHEDULE

### NOTES:

1. Throughout this document and its attachments, the terms “bid” and “proposal” are used. These terms are intended to be analogous. This procurement will be solicited and awarded in accordance with the procedures of FAR Part 15 Contracting by Negotiation and FAR Part 36 Construction and Architect-Engineer Contracts.
2. Each Contract Line Item corresponds with the items in Attachment B Construction Specifications at Section 01 00 00 General Requirements 1.3 Statement of Bid Items.
3. The amount entered for CLIN 0001b, below, is an estimate provided by the Seattle City Light (SCL). Contractors are not to contact SCL prior contract award. As such, the amount entered at 0001b will be used for price analysis. The Contractor is required to provide a copy of its contract with Seattle City Light to the Contracting Officer for adjustment of the amount.
4. All pricing is fixed price. The price for each item shall represent all work necessary to perform the construction of that item.
5. Please reference contract clause Economic Price Adjustment of Contract Price Based on a Price Index - Construction in the General Conditions of this solicitation and the resulting contract.
6. Reference contract clauses FAR 52.217-5 Evaluation of Options and FAR 52.217-7 Option for Increased Quantity – Separately Priced Line Item.
