

## Roofing and Insulation Replacement #595-13-110

Lebanon VAMC  
Lebanon, PA

1. Specification Section 00 01 10, Table of Contents, identifies the following specification sections:
  - 26 41 00.01 Facility Lighting Protection Bldg 1
  - 26 41 00.01 Facility Lighting Protection Bldg 18, 19
  - 26 41 00.01 Facility Lighting Protection Bldg 22

The specifications provided however, do not match this listing. In addition, the drawings indicate lightning protection work for building 18 only (refer to drawing 17 of 18).

Please advise as to the lightning protection scope of work for buildings 1, 19, and 22. Please also advise of the specification reference.

- ~~2. Statement of Work item 5 on page 5 of 52 of the solicitation indicates Normal working hours as 7AM to 4:30PM, however on page 8 of 52 the hours are identified as 8:00AM to 4:30PM. Please advise.~~
- ~~3. Box 8 of Standard Form 1442 indicates "See attached delivery schedule". Please advise.~~
4. Statement of Work item 1 on page 5 of 52 of the solicitation indicates tuck pointing, and specification section 04 05 31 Masonry Tuck Pointing is provided. Please advise as to the scope and/or extent of this work other than that incidental to noted repairs.

Response 1. Lightning protection for this project which includes buildings 18 and 22, is only pertinent to building 18. Buildings 19 and 1 are not in the project. All spec sections 26 41 00 are identical.

Response 4. Extent is incidental to noted repairs.
