

# **Veterans Affairs Central California Healthcare System**

## **Project: 570-15-100 Replace Exterior Signage**

The following list of sign manufacturers is provided for your consideration in no particular order. The VA does not limit the Prime Contractor to the manufacturers listed below and makes no claim concerning the ability of each manufacturer to meet the requirements of this project. The VA will not be responsible for the performance of the sign manufacturer for this project and advises the Prime Contractor to assess manufacturers accordingly.
