

## Façade Corrections Phase 2

Lebanon VAMC, Lebanon, PA  
Solicitation No. VA244-16-R-0635

## BIDDER QUESTIONS #3

1. Please refer to Detail A/A301:
  - a. Are the new steel lintels to be “loose” or is there a requirement to fasten to the structure?
  - b. Are the existing steel lintels attached to the existing structure or are they installed “loose”?
2. Are the existing window sills to be considered part of General Note 2?
3. Please refer to Specification Section 08 90 00 Louvers and Vents, along with Keynote 2:
  - a. Are the New Aluminum Louvers to be Fixed (Non-Operable) or Operable?
  - b. Are the New Aluminum Louvers to receive a fluorocarbon coating?
4. Please clarify the extent of Field Painting.
