

KEY PLAN
-NOT TO SCALE-

A detailed key plan of the site. The plan shows a large central building complex with a central courtyard. To the left of the central complex is a large rectangular area labeled "AREA OF RENOVATION" with diagonal hatching. To the right of the central complex is a large parking lot with many parking spaces. The plan also shows various other buildings, including a long building at the bottom with many windows, and a building at the top right with a curved driveway. The plan is oriented with North at the top.
