(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. (ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(v) *Incorporation by reference.* The Contractor’s representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

For the purposes of this Agreement, Subcontractor shall refer to a contractor of any person or entity, other than Covered Entity, that creates, receives, maintains, or transmits PHI under the terms of this Agreement.

Terms and Conditions. Covered Entity and Business Associate agree as follows:

1. Ownership of PHI. PHI is and remains the property of Covered Entity as long as Business Associate creates, receives, maintains, or transmits PHI, regardless of whether a compliant Business Associate agreement is in place.
2. Use and Disclosure of PHI by Business Associate. Unless otherwise provided, Business Associate:
  - A. May not use or disclose PHI other than as permitted or required by this Agreement, or in a manner that would violate the HIPAA Privacy Rule if done by Covered Entity, except that it may use or disclose PHI:
    - (1) As required by law or to carry out its legal responsibilities;
    - (2) For the proper management and administration of Business Associate; or
    - (3) To provide Data Aggregation services relating to the health care operations of Covered Entity.
  - B. Must use or disclose PHI in a manner that complies with Covered Entity's minimum necessary policies and procedures.
  - C. May de-identify PHI created or received by Business Associate under this Agreement at the request of the Covered Entity, provided that the de-identification conforms to the requirements of the HIPAA Privacy Rule.
3. Obligations of Business Associate. In connection with any Use or Disclosure of PHI, Business Associate must:
  - A. Consult with Covered Entity before using or disclosing PHI whenever Business Associate is uncertain whether the Use or Disclosure is authorized under this Agreement.
  - B. Implement appropriate administrative, physical, and technical safeguards and controls to protect PHI and document applicable policies and procedures to prevent any Use or Disclosure of PHI other than as provided by this Agreement.
  - C. Provide satisfactory assurances that PHI created or received by Business Associate under this Agreement is protected to the greatest extent feasible.
  - D. Notify Covered Entity within twenty-four (24) hours of Business Associate's discovery of any potential access, acquisition, use, disclosure, modification, or destruction of either secured or unsecured PHI in violation of this Agreement, including any Breach of PHI.

(1) Any incident as described above will be treated as discovered as of the first day on which such event is known to Business Associate or, by exercising reasonable diligence, would have been known to Business Associate.

(2) Notification shall be sent to the **<Insert local VHA Privacy Officer's name(s) and email address(es)>** and to the VHA Health Information Access Office, Business Associate Program Manager by email at [VHABAAIssues@va.gov](mailto:VHABAAIssues@va.gov).

(3) Business Associate shall not notify individuals or the Department of Health and Human Services directly unless Business Associate is not acting as an agent of Covered Entity but in its capacity as a Covered Entity itself.

E. Provide a written report to Covered Entity of any potential access, acquisition, use, disclosure, modification, or destruction of either secured or unsecured PHI in violation of this Agreement, including any Breach of PHI, within ten (10) business days of the initial notification.

(1) The written report of an incident as described above will document the following:

(a) The identity of each Individual whose PHI has been, or is reasonably believed by Business Associate to have been, accessed, acquired, used, disclosed, modified, or destroyed;

(b) A description of what occurred, including the date of the incident and the date of the discovery of the incident (if known);

(c) A description of the types of secured or unsecured PHI that was involved;

(d) A description of what is being done to investigate the incident, to mitigate further harm to Individuals, and to protect against future incidents; and

(e) Any other information as required by 45 C.F.R. §§ 164.404(c) and 164.410.

(2) The written report shall be addressed to:

**<Insert local VHA Privacy Officer's name(s) and facility address>** and submitted by email to **<Insert local VHA Privacy Officer's email address(es)>** and to the VHA Health Information Access Office, Business Associate Program Manager at [VHABAAIssues@va.gov](mailto:VHABAAIssues@va.gov).

F. To the greatest extent feasible, mitigate any harm due to a Use or Disclosure of PHI by Business Associate in violation of this Agreement that is known or, by exercising reasonable diligence, should have been known to Business Associate.

G. Use only contractors and Subcontractors that are physically located within a jurisdiction subject to the laws of the United States, and ensure that no contractor or Subcontractor maintains, processes, uses, or discloses PHI in any way that will remove the information from such jurisdiction. Any modification to this provision must be approved by Covered Entity in advance and in writing.

H. Enter into Business Associate Agreements with contractors and Subcontractors as appropriate under the HIPAA Rules and this Agreement. Business Associate:

(1) Must ensure that the terms of any Agreement between Business Associate and a contractor or Subcontractor are at least as restrictive as Business Associate Agreement between Business Associate and Covered Entity.

(2) Must ensure that contractors and Subcontractors agree to the same restrictions and conditions that apply to Business Associate and obtain satisfactory written assurances from them that they agree to those restrictions and conditions.

(3) May not amend any terms of such Agreement without Covered Entity's prior written approval.

I. Within five (5) business days of a written request from Covered Entity:

(1) Make available information for Covered Entity to respond to an Individual's request for access to PHI about him/her.

(2) Make available information for Covered Entity to respond to an Individual's request for amendment of PHI about him/her and, as determined by and under the direction of Covered Entity, incorporate any amendment to the PHI.

(3) Make available PHI for Covered Entity to respond to an Individual's request for an accounting of Disclosures of PHI about him/her.

J. Business Associate may not take any action concerning an individual's request for access, amendment, or accounting other than as instructed by Covered Entity.

K. To the extent Business Associate is required to carry out Covered Entity's obligations under Subpart E of 45 CFR Part 164, comply with the provisions that apply to Covered Entity in the performance of such obligations.

L. Provide to the Secretary of Health and Human Services and to Covered Entity records related to Use or Disclosure of PHI, including its policies, procedures, and practices, for the purpose of determining Covered Entity's, Business Associate's, or a Subcontractor's compliance with the HIPAA Rules.

M. Upon completion or termination of the applicable contract(s) or agreement(s), return or destroy, as determined by and under the direction of Covered Entity, all PHI and other VA data created or received by Business Associate during the performance of the contract(s) or agreement(s). No such information will be retained by Business Associate unless retention is required by law or specifically permitted by Covered Entity. If return or destruction is not feasible, Business Associate shall continue to protect the PHI in accordance with the Agreement and use or disclose the information only for the purpose of making the return or destruction feasible, or as required by law or specifically permitted by Covered Entity. Business Associate shall provide written assurance that either all PHI has been returned or destroyed, or any information retained will be safeguarded and used and disclosed only as permitted under this paragraph.

N. Be liable to Covered Entity for civil or criminal penalties imposed on Covered Entity, in accordance with 45 C.F.R. §§ 164.402 and 164.410, and with the HITECH Act, 42 U.S.C. §§ 17931(b), 17934(c), for any violation of the HIPAA Rules or this Agreement by Business Associate.

4. Obligations of Covered Entity. Covered Entity agrees that it:

A. Will not request Business Associate to make any Use or Disclosure of PHI in a manner that would not be permissible under Subpart E of 45 C.F.R. Part 164 if made by Covered Entity, except as permitted under Section 2 of this Agreement.

B. Will promptly notify Business Associate in writing of any restrictions on Covered Entity's authority to use or disclose PHI that may limit Business Associate's Use or Disclosure of PHI or otherwise affect its ability to fulfill its obligations under this Agreement.

C. Has obtained or will obtain from Individuals any authorization necessary for Business Associate to fulfill its obligations under this Agreement.

D. Will promptly notify Business Associate in writing of any change in Covered Entity's Notice of Privacy Practices, or any modification or revocation of an Individual's authorization to use or disclose PHI, if such change or revocation may limit Business Associate's Use and Disclosure of PHI or otherwise affect its ability to perform its obligations under this Agreement.

5. Amendment. Business Associate and Covered Entity will take such action as is necessary to amend this Agreement for Covered Entity to comply with the requirements of the HIPAA Rules or other applicable law.
6. Termination.
  - A. Automatic Termination. This Agreement will automatically terminate upon completion of Business Associate's duties under all underlying Agreements or by termination of such underlying Agreements.
  - B. Termination Upon Review. This Agreement may be terminated by Covered Entity, at its discretion, upon review as provided by Section 9 of this Agreement.
  - C. Termination for Cause. In the event of a material breach by Business Associate, Covered Entity:
    - (1) Will provide an opportunity for Business Associate to cure the breach or end the violation within the time specified by Covered Entity, and;
    - (2) May terminate this Agreement and underlying contract(s) if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity.
  - D. Effect of Termination. Termination of this Agreement will result in cessation of activities by Business Associate involving PHI under this Agreement.
  - E. Survival. The obligations of Business Associate under this Section shall survive the termination of this Agreement as long as Business Associate creates, receives, maintains, or transmits PHI, regardless of whether a compliant Business Associate Agreement is in place.
7. No Third Party Beneficiaries. Nothing expressed or implied in this Agreement confers any rights, remedies, obligations, or liabilities whatsoever upon any person or entity other than Covered Entity and Business Associate, including their respective successors or assigns.
8. Other Applicable Law. This Agreement does not abrogate any responsibilities of the parties under any other applicable law.
9. Review Date. The provisions of this Agreement will be reviewed by Covered Entity every two years from Effective Date to determine the applicability and accuracy of the Agreement based on the circumstances that exist at the time of review.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.27 per hour or \$170.80 per week or \$740.13 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives.

Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**\*\* UNIFORM ALLOWANCE \*\***

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A link to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

**Conformance Process:**

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es)

of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) *Submission of offers.* Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

- (1) The solicitation number;
  - (2) The time specified in the solicitation for receipt of offers;
  - (3) The name, address, and telephone number of the offeror;
  - (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

  - (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.
- (c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.
- (d) *Product samples.* When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids).* The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain

the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards.* The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

The offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "DUNS" or "DUNS +4" followed by the DUNS or DUNS +4 number that identifies the offeror's name and address. (End of Addendum to 52.212-1)

## E.6 52.212-2 EVALUATION—COMMERCIAL ITEMS (OCT 2014)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered.

Award will be made using the lowest price technically acceptable evaluation process, where the non-price factors are evaluated on an acceptable/unacceptable basis. Best value is expected to result from selection of the technically acceptable quote with the lowest evaluated price. Award will be made on the basis of the lowest evaluated price of quotes meeting or exceeding the acceptability standards for non-price factors.

The offeror must submit detailed information for each evaluation criteria below. The information within the quote must demonstrate that the offered services meet the minimum specifications found in the Performance Work Statement to be evaluated as acceptable. VA will evaluate the quotes on the basis of information furnished by the offeror in response to this solicitation.

The following technical factors shall be used to evaluate offers to determine technical acceptability.

1. The contractor must have the ability to begin providing all required courier services for the VA Central Iowa Health Care System on 10/01/2016. The contractor shall provide a narrative description with their quote to demonstrate their ability to provide this requirement to VA.
2. The contractor must demonstrate the ability to provide all courier services and accomplish the pick-ups and deliveries times for the VA Central Iowa Health Care System per the Performance Work Statement requirements. The contractor shall provide a narrative description with their quote to demonstrate their ability to provide this requirement to VA.
3. The contractor shall provide a contingency plan to ensure continuity of services in the event of personnel issues or inclement weather. The contractor shall provide a contingency plan with their quote to demonstrate their ability to provide this requirement to VA.

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

Evaluation of Option to Extend Services under 52.217-8. For the purposes of the award of the resulting contract, the Government intends to evaluate the option to extend services, provided under FAR 52.217-8, as follows: The evaluation will consider the possibility that the option can be exercised at any time, and can be exercised in increments of one to six months, but for no more than a total of six months during the life of the contract. The evaluation will assume that the prices for any option exercised under FAR 52.217-8 will be at the same rates as those in effect under the contract at time of award. The evaluation will therefore assume that the addition of the price or prices of any possible extension or extensions under FAR 52.217-8 to the total price for the basic requirement and the total price for the priced options has the same effect on the total price of all offers relative to each other, and will not affect the ranking of offers based on price, unless, after reviewing the offers, the Government determines that there is a basis for finding otherwise. This evaluation will not obligate the Government to exercise any option under FAR 52.217-8.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of Provision)

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the

underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
