2. Contract Title.

Brief Alcohol Interventions (BAI) Workshops 2009, 2010 and 2012: Coding of Interviews

3. Background.

Quality improvement activities for the BAI Workshops include digitally recorded telephone interviews of participants (clinicians) prior to and after each workshop as well as another telephone interview 6 months following a workshop. The interviews with participants/clinicians are conducted by medical actors who have specialized skills as Standardized Patients. The actors simulate a patient with particular medical issues during the telephone interview.

4. Scope.

The Public Health Strategic Health Care Group will evaluate the development of specific skills by participants/clinicians in BAI workshops through the use of a coder who will review and rate the recorded interviews. Coder will use a scoring protocol that has been developed to assess participants/clinicians' skills as demonstrated through their interactions [conversations] with Standardized Patients during the telephone interview. All interactions between the Standardized Patient and participants/clinicians in the BAI workshops are scored on two primary dimensions: 1) the use of specific brief intervention techniques (as described on the card, '3 Brief Interventions Tasks') and 2) consistency with Motivational Interviewing (MI) techniques.

The coder is expected to review and rate the recording of each interview, following the protocols for the Brief Interventions FLO (BIFLO) and Motivational Interviewing Treatment Integrity (MITI) instruments.

- One coder will be required to complete the review of each recorded interview and to rate and score it, using BIFLO and MITI instruments; scores will be stored on a spreadsheet.
- The fee for rating and coding the interviews for each BAI Workshop is based on **the fee designated in the schedule** for review and coding each recorded interview.
- For the BAI Workshop in 2009, with 47 recorded interviews: for 6 month follow-up interviews.
- For the BAI Workshop in 2010, with 139 recorded interviews: for pre and post workshop interviews.

- For the BAI Workshop in 2010, with 64 recorded interviews: for 6 month follow-up interviews.
- For the BAI Workshop in 2012, with 80 recorded interviews: for pre and post workshop interviews.
- For the BAI Workshop in 2012, with 40 recorded interviews: for 6 month follow-up interviews.

5. Specific Tasks.

A: The coder shall attend a meeting with one of the instructors for the BAI workshops after award of contract to discuss the tasks associated with this SOW. The instructor shall provide the recorded interviews and the protocol for rating and coding the interviews.

The VA will rely on the expertise of the coder(s) to develop a reasonable timeline to plan and carry out the coding process within the time period specified below.

B: The coder shall review and rate the recorded interviews.

6. Deliverables:

The coder shall deliver a spreadsheet with specific scores and summary scores from both the BIFLO and MITI instruments. The spreadsheet format shall be either in Excel or SPSS (Statistical Package for the Social Sciences).

7. Performance Monitoring

The coder(s) will maintain up-to-date records of interviews ‘to be rated and coded’ and interviews with completed coding.

8. Security Requirements: N/A

9. Government-Furnished Equipment (GFE)/Government-Furnished Information (GFI).

The BAI workshop instructor will provide the coder with the CDs containing the recorded interviews and the protocols for rating and coding the interviews.

10. Other Pertinent Information or Special Considerations.

Coder must be familiar with both rating and scoring brief intervention techniques and Motivational Interviewing techniques. Coder must have specific experience with and demonstrated reliable use of the Brief Intervention FLO (BIFLO) Checklist and the Motivational Interviewing Treatment Integrity (MITI) coding systems.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR Part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals--

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer

seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

and

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible;

and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
