

Request for Information (RFI) No. 1

Question: Could you please tell me if the technical and the price are supposed to be separate on the Upgrade Cath Lab 1 project, I'm not seeing it stated anywhere in the documents.

Answer: Per the "Additional Instructions to Offerors," your proposal should be organized into 5 sections.

Your pricing goes into Section 5 of your proposal. Use "**Attachment A - Price Cost Schedule**" to break down your pricing.
