

This drawing is provided to assist the contractor in understanding the scope of the project and locate the AHU's for bid item 1 and 2. It is in no way limited or relieving the contractor's responsibility to confirm requirements and comply with all VA specifications and bring this area into compliance with the current VA HVAC requirements as outlined in the VA 220AC. Revision Manual 2008.04.

Third Floor Plan  
SCALE: NTS
