

JUNE 2016 SPECIAL CONSOLIDATION – VENDOR Q&A SET #1

613-B11013 – Martinsburg

Q1: The requirement states the following: “Equipment Delivery - Equipment must be built and delivered 10 days after official award or by September 9th, 2016 which ever date is earlier” but also states “Vendor is to store the equipment on their own property until site prep is complete; vendor shall store the equipment for up to a minimum of one year following equipment award.”

What constitutes delivery?

A1: **Delivery of the equipment is considered complete when the equipment is delivered to the vendor storage site.**
