FEDERAL CONTRACTOR VETERANS' EMPLOYMENT REPORT (VETS-100)

WHO MUST FILE

The Vets-100 Report is to be completed by all nonexempt federal contractors and subcontractors with contracts or subcontracts for the furnishing of supplies and services or the use of real or personal property for \$25,000 or more. Services include but are not limited to the following services: Utility, construction, transportation, research, insurance, and fund depository, irrespective of whether the government is the purchaser or seller. The existence of \$25,000 or more in federal contracts or subcontracts during a given calendar year establishes the requirement to file a VETS-100 Report during the following calendar year.

WHEN TO FILE

This annual report must be filed no later than September 30. Mail to the address pre-printed on the front of the form.

LEGAL BASIS FOR REPORTING REQUIREMENTS

Title 38, United States Code, Section 4212(d) and PL 105-339, require that federal contractors report at least annually the numbers of: 1) special disabled veterans, 2) veterans of the Vietnam era, and 3) other veterans who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized who are in their workforce. Reporting is required by hiring location and includes both the number employed and the number of new hires, within the three categories listed above. The number of veterans employed within these categories is to be broken out by job category and maximum and minimum total employment is to be reported as well.

HOW TO SUBMIT THE VETS-100 REPORTS

Single-establishment employers must file one completed form. All multi-establishment employers, i.e., those doing business at more than one hiring location, must file (A) one form covering the principal or headquarters office; (B) a separate form for each hiring location employing 50 or more persons; and (C) EITHER, (i) a separate form for each hiring location employing fewer than 50 persons, OR (ii) consolidated reports that cover hiring locations within one State that have fewer than 50 employees. Each state consolidated report must also list the name and address of the hiring locations covered by the report. Company consolidated reports such as those required by EEO-1 reporting procedures are NOT required for the VETS-100 Report. Completed reports for the headquarters location and all other hiring locations for each company should be mailed in one package to the address indicated on the front of the form.

RECORD KEEPING

Employers must keep copies of the completed annual VETS-100 Report submitted to DOL for a period of two years.

HOW TO PREPARE THE FORMS

Multi-establishment employers submitting hard copy reports should produce facsimile copies of the headquarters form for reporting data on each location.

Type of Reporting Organization Indicate the type of contractual relationship (prime contractor or subcontractor) that the organization has with the Federal Government. If the organization serves as both a prime contractor and a subcontractor on various federal contracts, check the "Both" box.

Type of Form If a reporting organization submits only one VETS-100 Report form for a single location, check the Single Establishment box. If the reporting organization submits more than one form, only one form should be checked as Multiple Establishment-Headquarters. The remaining forms should be checked as either Multiple Establishment-Hiring Location or Multiple Establishment-State Consolidated. For state consolidated forms, the number of hiring locations included in that report should be entered in the space provided. For each form, only one box should be checked within this block.
