

### Questions 1-5

1. Please refer to items 1.a and 1.c on Solicitation page 8 of 76. Can the Bidder / Offeror identify more than 1 Functional Lead for the same areas of work? **Answer: YES**
2. Please confirm that one original of both Volume I, Technical Proposal and Volume II, Price Proposal is to be submitted as the Offer, both in separate sealed packages.  
**Answer: YES** Please note that Box 13.a of Standard Form SF 1442 is not completed. In addition, is a CD required of Volume I, Technical Proposal? **Answer: This is not an IFB but an RFP. A CD is not required.**
3. The FBO posting today included 2 files that contained the same 21 drawings (1 through 21 of 61). In addition, Specifications were not found within the posting, please advise.  
**Answer: Posted an amendment on 8-4-2016 with specifications. The two drawings you are referring to are duplicates accidentally copied.**
4. "Safety or Environmental Violations and Experience Modification Rate" data does not seem to be required as part of the Proposal response, please confirm. **Answer: It is required. It was an accidental omission.**
5. The Proposal due date is identified as September 6, 2016 at 1:30 PM EST in Box 10 of Standard Form SF 1442, however Box 13.a indicates 09-30-2106, please advise.  
**Answer: The due date is September 6, 2016 at 1:30 PM EST. An amendment on 8-3-2016 was posted to answer this question.**
