

## **Attachment A– Questions and Answers Request for Information**

**Question:** At the walk through, it was mentioned that the VA would supply bidders with either previous inspection reports, or simply a list of devices at each locations. A review of the solicitation at FedBizOpps showed no new added information. What is the ETA on that information?

### **LKNA Fire Alarm and Detection System Inspection Report**

#### **SuperStructure**

##### **Inspection Items**

AHU Fan Shutdown 131  
Alternate Elevator Recall 11  
Amplifiers 1  
Chemical Fire Suppression System 4  
DACT - Main 2  
DACT - Point 6  
Door Holder 95  
Duct Detector 148  
Electromechanical Releasing Device 130  
Elevator Recall 11  
Fire Alarm Panel (JC Form) 2  
Fire rated Door - Window - Shutter 6  
Heat Detector 76  
Pull Station 159  
Remote Annunciators 1  
Remote Power Supply JC 106  
SD-Control Relay 2  
Smoke Detector 493  
Smoke Exhaust Fan 3  
Speaker 1952  
Speaker Strobe 681  
Strobe 1059  
Supervisory - Tamper Switch 117  
Water Flow Detector 78  
**Totals** 5274  
Pre-action System- 1  
Kitchen Hoods 13
