

## Price Delivery Schedule

### Fire Extinguisher Maintenance Services for VAPAHCS

The Contractor shall conduct fire extinguisher annual inspections and hydrostatic test for the Department of VA Medical Centers located in Palo Alto to include numerous off-sites locations within the East and West Bays. The Contractor shall develop and maintain a record of annual service requirements and due dates for portable fire extinguishers located within the Palo Alto Health Care System (HCS). The Contractor shall perform all annual inspections and hydrostatic tests, which shall include labor, materials and transportation of extinguishers. Additionally, all service must comply with current **NFPA 10 guidelines** for fire extinguisher maintenance, which includes the annual service and 6 year hydrostatic testing.

Services shall be provided in the month indicated below:

Site	# of Extinguishers	Service	Required Month
Livermore	143	Annual & Hydrostat	October 2016
Menlo Park	307	Annual & Hydrostat	November 2016
Palo Alto	700	Annual & Hydrostat	January 2017
HCS Vehicles	52	Annual & Hydrostat	January 2017
Residents @ Menlo	26	Annual & Hydrostat	May 2017
Monterey	18	Annual & Hydrostat	July 2017
Jones Hall	10	Annual & Hydrostat	January 2017
Total	1256		

\* Maintenance service to be coordinated between Contractor and COTR based on the award date of contract and subject to availability of funds at the beginning of each Fiscal Year.

#### Base Year: Oct 1, 2016 to Sep 30, 2017

CLIN#	Site – Location	# of Ext	Cost Per Ext.	Total Cost
0001	Livermore VAMC	143	\$	\$
0002	Menlo Park VAMC	307	\$	\$
0003	Palo Alto VAMC	700	\$	\$
0004	Transport Vehicles – all sites	52	\$	\$
0005	Residences at Menlo Park	26	\$	\$
0006	Monterey Outpatient Clinic	18	\$	\$
0007	Jones Hall Campus	10	\$	\$
0008	Hydrostatic Maint of ABC & K	TBD	\$	
0009	Hydrostatic Maint of C02	TBD	\$	
	Total	1256		\$

Ext annotates "Extinguishers"

CLIN items (0001 thru 0007 and respectively for all Option Years) require Annual Maintenance service. The offeror shall provide a price for CLIN XXX8 and XXX9 in the event that this type of maintenance is required during the Period of Performance. The offeror shall price the same CLIN items for all Option Years. Do not calculate the unit cost of CLIN XXX8 and XXX9 in the total lines.
